2702 INT CLASSROOM/REHEARSAL STAGE - DAY 2702

The Power Teens are rehearsing the school play, "Rumpelstiltskin". A spinning wheel prop is prominent in the room, and Bulk is standing right next to it. All the kids are in costume. Kimberly is the miller's daughter, Jason is the Prince, Skull is a court jester with an ill-fitting mask, and Bulk is Rumpelstiltskin. Bulk is fidgeting with his tights, using the wheel for balance.

JASON
...and you'd better spin all that straw into gold, or else!

SKULL
Yeah, or else!

KIMBERLY
Oh woe is me! Whatever shall I do?

Bulk misses his cue because he's busy struggling with his tights, which are too small for him.

BULK
No way I'm gonna wear these stupid green tights. No way!

Skull laughs his trademark laugh, and Bulk shoots him a dirty look.

JASON
Come on, Bulk. We're supposed to be rehearsing our lines!

Bulk tugs on his tights, and bumps into the spinning wheel.

KIMBERLY
Watch it, Bulk! You're gonna knock over my grandma's spinning wheel.

Bulk makes one last tug on his green tights, which snap back on his legs like a rubber band, causing him to bump into the spinning wheel. It almost tumbles over, and Kimberly shrieks. Jason leaps forward and catches it.

JASON
Nice going, **Rumpelstiltskin.**

KIMBERLY
Thanks, Jas.

Kimberly moves the spinning wheel away from Bulk and glares at him.

BULK
Touchy!

ANGLE ON Trini and Tommy as they paint a flat off to the side. Paint is splattering off the sides with each stroke.

TRINI
Thanks for the help, Tommy. This is the last one.

TOMMY
No problem. - skully

Bulk and Skull are near by, with Bulk tugging on his costume again. He bends over to pull up the green tights.

They back up to the side of the flat Trini is painting, and both bend over to deal with Bulk's costume. Bulk stands up just as Trini's brush finishes a stroke, getting blue paint all over his face. Skull stands up and gets paint in the face from Tommy's brush. Bulk growls and twirls around, looking for a cloth.

BULK
Give me a towel, lamebrain, quick!

Skull fumbles around, grabbing a sponge that is soaked in paint, and hands that to Bulk.

He splats it on his face, getting more paint on himself. Bulk then bumps into the Spinning wheel again, as Mr. Caplan enters the scene. The Spinning wheel once again tumbles over. Kimberly reacts with panic and Mr. Caplan catches the wheel.

MR. CAPLAN
Enough fooling around, mister!

KIMBERLY
Yeah, Bulk. This spinning wheel has been in family for a hundred years, and I'd feel terrible if anything happened to it!

Mr. Caplan nods at Bulk and Skull angrily as Bulk stands fuming, blue paint dripping from his face. Skull laughs nervously as we,

FADE IN:

2705 INT CLASSROOM/REHEARSAL STAGE - DAY 2705

The play rehearsal continues; Mr. Caplan and Kimberly are up front, while Zack and Billy stand at the sidelines, arranging some of the props. Kimberly is sitting at the spinning wheel, while Caplan points to everyone's places.

MR. CAPLAN
Move back over there, Bulk. Okay, let's try it again, people!

Billy walks forward with his clipboard.

BILLY
Places everyone!

Kimberly flashes Bulk a look then settles herself once again at the wheel. Skull, (court jester) enters in front of Jason, (the prince). He is holding a stick with bells on it, and has pixie-type shoes with bells on the ends. He bows low, presenting the prince. Jason struts up waving his sword.

JASON
Fair Maiden! You must prove that you can do as your father claims, and spin all of this straw into gold.

The court jester laughs, as Kimberly gasps. Jason waves his sword again.

JASON
If not, I shall lock you away in the dungeon forever!

Jason struts off stage, with the court jester jingling along behind.

KIMBERLY
I can't spin straw into gold! Whatever will I do!

It's a cue line, but nothing happens. Kimberly looks to the side and repeats her line.

KIMBERLY
Whatever will I do!

TRINI
(hisses)
Bulk! That's your cue!

Scuffling is heard as Bulk pushes passed everyone with a big smile on his face. He struts towards Kimberly, not wearing tights this time. (He's got the top of his costume on, but instead of tights, he's wearing long jams and combat boots.) He saunters up to Kimberly and puts his arm around her.

BULK
Hi, sweetcheeks. What're ya crying for?

Skull covers his mouth, but his laugh can be heard anyway. Trini, Billy, Zack and Jason look at each other and snicker. Mr. Caplan looks at his script and frowns.

MR. CAPLAN
Where's your costume, Bulk?

Bulk struts over to Mr. Caplan, and with wide sweeping gestures, picks up a handfull of straw and waves it like a pointer as he speaks.

BULK
Just adding a touch of the '90's, teach.

MR. CAPLAN
Get on with it Bulk, if you don't mind!

Bulk sulks back to the stage where Kimberly is waiting at the spinning wheel. She goes on with the play.

KIMBERLY
What a strange **little** man you are! I must spin all this straw into gold by morning, or I'll stay in this dungeon forever!

BULK
(giving the wheel a spin)
Wow...Bummer!
(pushing Kimberly out of the way)
Don't sweat it, babe. I'll do it for ya!

TRINI
(whispering to Billy)
I can't believe Bulk!

BILLY
He's definitely an original.

Bulk squats down at the wheel and starts to fumble with the peddles. We hear the wood squeak and groan. Kimberly leans down and whispers to him.

KIMBERLY
Get off of it, Bulk! You're too heavy!

Bulk looks beseechingly at Mr. Caplan.

BULK
She's making me mess up my lines!

Mr. Caplan looks sternly at Bulk as he brings the straw up to the wheel, spining it faster and faster. We SPEED UP the movement. Bulk's swift movement causes a rush of wind which knocks off Mr. Caplan's toupee. Caplan grabs it angrily, and plops it back on his head, glaring at Bulk as we,

BULK
Yeah, yeah, I **know** when to act, four-eyes!
(beat)
I'll spin this straw into gold for you, fair maiden. But you've got to do something for me in return!

Bulk leans forward with his eyes closed and his lips puckered for a kiss. Kimberly grabs a bunch of straw and sticks it into his mouth. Bulk reacts with sputtering sounds as everyone laughs.

ZACK
Alright, Kim!

BULK
Oh yeah? We'll see about that!

Bulk starts spinning the wheel faster and faster when suddenly it gets stuck.

KIMBERLY
Oh no! The wheel's ruined! What will my grandmother say?

TRINI
(towards the guys)
Oh, oh.

MR. CAPLAN
Alright, kids. Let's take a break, before something gets broken, eh Bulk?

Caplan ushers all the kids out, with Kimberly grumbling about her spinning wheel.

BULK

BULK

I'm going, I'm going! Take a chill pill, will ya?

Bulk struts onto the stage, pulling at his green tights. His face is in a grimace. His tights itch, and he scratches his leg as he arrives on stage.

BULK
Never fear, fair babe! I said I'd be here, and here I am!

Kimberly gets up from the Spinning wheel to make room for Bulk's "Rumpelstiltskin". He moves up next to Kimberly, smirking and pointing to his cheek.

BULK
Give us a little smooch first, fair babe!

Skull breaks into laughter.

KIMBERLY
Yes of course, Rumplestiltskin, but only **after** you spin the straw into gold!

BULK
Get ready to pucker up, fair dame!

Smiling at the audience, Bulk struts over to the pile of straw, and bends over to attach some straw to the spindle. Suddenly, we hear a loud RIPPPPPP! Bulk looks up, embarrassed, and holds his hand over his rear. His tights have split wide open. Kimberly sees this, and covers her mouth to hide her smile. Skull laughs and loudly whispers,

SKULL
You're there, alright, Bulk! All bare! Ha ha ha!

BULK
Skull, I'm warning you...

KIMBERLY
Better spin yourself some new gold tights, Rumpelstiltskin!

The audience laughs hysterically as Bulk glares first at Kimberly than off-stage towards Skull. He tries to back off-stage, holding his tights together. The Power teens join the rest of the crowd and laugh as we,
