INT. COMMAND CENTER -- CONTINUOUS

Alpha Five, Rocky, and the Power Rangers surround Zordon as he addresses the troops. He refers to footage from episode #34 being shown on the hologlobe.

ZORDON

Last we spoke, Power Rangers, Rita cast a spell on Rocky sealing his powers inside a burning candle. Luckily, Rocky escaped her grasp. But as the candle continues to burn, Rita's latest monster, Cyclops, has been given orders to destroy everything we've vowed to protect.

*

TRINI

What are we going to do, Zordon?

*

KIMBERLY

Rita's candle is about to burn out and Rocky's gonna burn out with it!

*

ALPHA FIVE

Aye-yai-yai!

*

ZORDON

The only way to save Green Ranger's power is to bring the candle back to the Command Center. If the candle burns out while under Rita's control, his power will disappear for all eternity.

ROCKY

But the candle's locked inside Rita's dungeon, Zordon.

ZACK

Yeah...and who's gonna go in there
and get it?!

*

CLOSE ON THE POWER RANGERS

as they all turn toward Zack and smile.

*

ZACK

Uh-oh.

Billy unrolls a large yellowed map.

BILLY

According to this time/space map
that Zordon gave me, a
interdemensional portal to the
dungeon is located in Angel Grove
Park.

*

ZORDON

Either gain control over the
candle, Rangers, or say goodbye to
one of our most valuable warriors.

*

Alpha Five turns toward the Power Rangers.

ALPHA FIVE

Do I have any volunteers?

*

ZACK

Yo, Alpha. Right here. Billy's got
the map, but I've got the moves.
Looks to me like we better get
busy.

*

ZORDON

Your courage is noted and
appreciated, Zackery.

*

Zack puts his arm around Billy and sighs.

ZACK

Billster, today must be our lucky
day.

*

As the Rangers pat their nervous teammates on the back,
WE....

(Outline Cut, Segment #1)

3502

An establishing shot of Rita's castle on the moon.

CUT TO:

INT. RITA'S CASTLE -- CONTINUOUS (44 secs.)
(Outline Cut, Segment #1)

While looking down through her RepulsaScope, Rita explains her sinister plan to Squatt, Baboo, Goldar, and Cyclops.

RITA

Does Zordon think he can outwit me?! That hairbrained hologram knows better.

BABOO

As long as Green Ranger's candle is burning, my queen, aren't the Power Rangers at your mercy?

RITA

Yes, (she turns) but mercy isn't enough. I want those teenage twerps destroyed.

Squatt and Baboo raise their hands in happiness.

SQUATT

Very good, your evilness. But how?

RITA

By turning them against their friend Rocky.

SQUATT

Ooh! That's what I call playing dirty.

RITA

Thanks for the compliment, dweeb. (she laughs) Zordon's brats will finally meet their doom.

SQUATT

So what are you gonna do, Rita? Destroy a town? Blow up a city?

*

RITA

Something even better, fool. By making Cyclops look like MegaDragonZord, I'll turn Ranger against Ranger. What do you say, Cyclops?

CYCLOPS

"Eye" like it!

RITA

Excellent! (Goldar growls) Get ready, Cyclops. You're about to break up a beautiful friendship!

She laughs as she points to the planet Earth glistening beyond the Moon's frozen tundra.

WIPE TO:

3503 INT. YOUTH CENTER -- DAY (50 secs.)

3503

A busy day at the gym. Trini and Kimberly participate in a aerobics class as Jason and Rocky sit at the juice bar. Rocky looks at Kimberly and smiles.

*

JASON

Come on, Rock. What are you waiting for? All you have to do is walk up to her and say, "Kimberly, will you go out with me?"

ROCKY

That's just it, Jase, I can't! Every time I'm around Kimberly it's like I've got a frog in my throat.

Overhearing their conversation, Ernie (the owner of the juice bar) leans over the counter and grins.

*

ERNIE

So, can't the frog jump out? Ribbit!

ROCKY

Unfortunately, it's not that simple, Ernie. Maybe if I could practice one more time, I'd....

*

Ernie nods.

ERNIE

Go for it, kid. I'm all ears. Give
it your best shot.

Rocky looks at Jason who shrugs in agreement. He checks to
make sure the coast is clear. Kimberly continues her workout
in the background. Self consciously, he turns back to Ernie
and takes a deep breath.

ROCKY

You know, Ernie, I think you're
amazing. You're beautiful...you're
funny. Everybody knows you're an
incredible gymnast. I was wondering
if you'd like to go to a movie with
me on Saturday night?

WE PULL BACK to find Kimberly and Trini looking over Rocky's
shoulder in disbelief.

KIMBERLY

Just make sure you have him home by
nine. Okay, Rock?

The girls giggle as Rocky shrinks in embarrassment.

CUT TO:

3504 EXT. COMMAND CENTER -- DAY (3 secs.)

3504

An establishing shot of Zordon's center in the desert.
Suddenly, WE HEAR sirens blaring from inside the fortress.

CUT TO:

INT. COMMAND CENTER -- CONTINUOUS (50 secs.)

Lights flash and sirens sound as Zordon calls out to Alpha
Five.

ZORDON

Red alert, Alpha. Something is
destroying downtown Angel Grove.
Engage the hologlobe...NOW!

Alpha Five rushes across the control room floor, slipping on
a tin can marked "oil" (INSERT SHOT OF OIL CAN). WE HEAR a
loud CRASH as Alpha Five slides into the control panel.

ALPHA FIVE

Aye-yai-yai!

ZACK

What did I say about leaving your
soft drinks laying around, Alpha?!

ALPHA FIVE
(embarrassed)

Sorry.

Instantly, an image appears on the hologlobe showing MegaDragonZord looming high over the city. (Use stock footage from Episode #18).

ALPHA FIVE (V.O.)
That's MegaDragonZord, Zordon. But how is it possible?! None of the Power Rangers have morphed. All of their zords are on stand by.

ZORDON
There's only one reasonable explanation, Alpha. The zord before us is an impostor.

ALPHA FIVE
Aye-yai-yai! Zordon, what should we do?!

ZORDON
Send Green Ranger to take care of DragonZord's evil twin. The safety of the planet lies in Green Ranger's hands.

As Alpha Five innitiates communication, WE....

WIPE TO:

3505 EXT. AERIAL SHOT -- DAY (7 secs.)

3505

Green shoots across the earth's surface to meet his evil adversary.

ROCKY (V.O.)
Don't worry, Zordon. As long as my candle stays lit, Rita's the one who's gonna get burned! Power Rangers...GO!

CUT TO:

3506 EXT. DOWNTOWN ANGEL GROVE CITY -- DAY (1 min. 23 secs.)
(Outline Cut, Segment #2, Add standard morphing sequence for Green Ranger at beginning)

3506

Green Ranger morphs atop a nearby building.

GREEN RANGER

Morphitudinous!

Having momentarily returned to his true form, Cyclops looks down at Green Ranger.

CYCLOPS

Now you "see" me, Green Ranger, now you don't!

Almost instantly, Cyclops turns into MegaDragonZord.

GREEN RANGER

No more games, Cyclops. Your number's up. The real DragonZord is on the way!

Using his Dragon Flute, Green Ranger raises DragonZord from the oceans depths. Angry over the upcoming confrontation, MegaDragonZord (Cyclops) begins knocking over buildings and skyscrapers.

CYCLOPS

I've only got "eyes" for you, Green Ranger.

The water bubbles ferociously as DragonZord steps out onto dry land, his drill tail swinging from side to side.

GREEN RANGER

Come on, DragonZord. Let's show this guy that we mean business.

Cyclops flails his arms in contempt.

CYCLOPS

Two's company, green guy. Three's a crowd.

DragonZord arms his fingertip missiles and points them toward Cyclops.

GREEN RANGER

How 'bout a hand, loser?!

DragonZord fires, blasting the impostor back to his original form.

GREEN RANGER

You're an ugly son of a gun, aren't you?

Suddenly, the cyclops changes into MegaZord.

CYCLOPS

Now I'm part of the family!

They rush toward each other exchanging one powerful blow after another.

CYCLOPS

Give me your best shot, dragon drool!

Green Ranger continues to play as DragonZord's chest plate illuminates and his drill tail begins to spin.

GREEN RANGER

Let him have it, DragonZord!

DragonZord spins his tail into Cyclops tossing him into an enormous hi-rise. Blocks of concrete tumble to the ground as DragonZord watches with glee.

GREEN RANGER

Don't cry, Cyclops. You might drown the place.

CUT TO:

3507 EXT. ANGEL GROVE PARK -- DAY (1 min. 35 secs.)

3507

Carrying the old discolored map, Billy and Zack make their way across a grassy field. Trying to keep himself entertained, Zack dances as Billy walks by his side.

ZACK

Billster, that map Zordon gave you is useless. It must be ten thousand years old.

BILLY

Astronomically speaking, Zackery, ten thousand years is only a millisecond of time.

ZACK

Well if we don't find Rita's portal soon, we're gonna be wandering around this park for another ten thousand years!

They pause as Billy looks up at the sun.

BILLY

If my calculations are correct,
fifteen steps left of this sun spot
should put us directly in front of
the dungeon's interdemensional
doorway.

ZACK

Well, let's take a couple of big,
Michael Jordon, slam dunk, hi-top
steps and get on with it!

CLOSE ON BILLY

as he turns and begins to count his steps out loud. Keeping
his eyes focused on the map, he walks straight into a large
immovable wall.

BILLY

Uh-oh.

Billy cautiously raises his head to find Bulk and Skull
standing directly in front of him. He smiles nervously.

*

BILLY (CONT'D)

Hi guys.

The punks glare down at him without saying a word. Zack
intercedes.

ZACK

Bulk...Skull...what's happenin'?
Listen guys, we'd love to rap, but
we're kinda busy. Business...you
know how it is.

Bulk holds a baseball bat in one hand and a glove in the
other.

BULK

You're trespassing, noodle neck.
This is our private baseball field.
No exceptions. Got it?

SKULL

Yeah, do you get it?

*

BULK

(to Skull)

He got it.

*

SKULL

Good.

*

BILLY

(nervous)

Um...actually, this is a public
park, gentlemen. Anyone can visit.

Skull jabs his index finger into Billy's chest.

SKULL

Anyone except you, brainiac. Take a
hike. Now!

Zack's obviously heard enough. He stands face to face with
Skull, looking him in the eye.

ZACK

Listen, guys. You gotta stop
dissin' us. Billy and I have work
to do and your interfering.

Bulk grabs Billy by the lapels and lifts him off the ground.

BULK

How'd you like to eat home plate,
Mr. Wizard?

As Billy gulps nervously, WE.....

CUT TO:

3508 EXT. RITA'S BALCONY -- DAY (7 secs.)
(Additional Rita Footage, 01:27:27:01 to
01:27:34:03)

3508

Looking down through her RepulsaScope, Rita sees that Billy
and Zack have located her dungeon portal.

RITA

Those Rangers are looking for my
dungeon portal. Putties, get
them...NOW!

CUT BACK TO:

3509 EXT. ANGEL GROVE PARK -- CONTINUOUS (1 min. 35 secs.)

3509

As Bulk continues to hold Billy in mid air, Skull moves in
on Zack. Zack jumps into a dance/fighting stance and
prepares for battle.

BILLY

Zackery, I think we're in trouble.

ZACK

Hang on, Billster. The Zack-man is about to do some serious kickin'.

*

Suddenly, five Putty Patrollers materialize around them (SPFX). Billy can't believe what he's seeing.

BILLY

Bad news, everybody. We've got company!

*

ZACK

Putty Patrollers?! What are they doin' here?!

BILLY

Might I suggest fighting now and asking questions later.

The punks look around at the clay faced intruders.

SKULL

Who invited the "goon" patrol?

BULK

Is this some kinda joke, twinkle toes?!

*

ZACK

They're Putty Patrollers, Bulk. Unfortunately, joking's not their style.

*

Just as the patrollers begin to move in, Bulk releases Billy allowing him to fall to the ground. A fight ensues as the Putties kick into action. Faced with a barrage of high flying flips and powerful body blows, Zack dazzles the patrollers with his dance style "hip-hopkido" expertise.

*

ZACK

Nice day for a walk in the park. Isn't it fellas?!

He simultaneously scissor kicks two of the putties while punching a third and sending him flying. Meanwhile, Billy, still looking at his map, steps out of the way just as two patrollers perfectly collide.

*

BILLY

Now, back to finding that dungeon portal.

*

Having never seen a Putty Patroller before, the punks aren't quite sure how to handle their newfound adversaries. Skull winds up and punches a putty in the stomach, but his fist crunches like an accordion (SFX). He looks at his hand and cries like a child.

*

SKULL

I got an owey!

*

Another patroller drives a hard kick into Bulk sending him flying through the air.

*

BULK

Whooa!

*

He comes down hard on top of Skull, smothering the punk under his immense girth.

*

SKULL

Excuse me, Bulk. Could you get off?
I can't breath.

*

As the fighting continues with Zack and Billy, Skull and Bulk appear to be surrounded.

SKULL

Hey, Bulk, now what are we gonna do?

As Bulk and Skull take a step back, a black hole opens at their feet (SPFX) causing them to disappear. Their screams fade into the distance as the hole instantly closes. Billy notices the occurrence as Zack continues to fend off the patrollers.

BILLY

Zackery, you know that portal to Rita's castle we've been looking for?

*

ZACK

What about it?

BILLY

I believe the punks just fell in.

*

ZACK

Billster, I'm beginning to think we're gonna need some help. I wonder what the rest of the Power Rangers are up to?

*

As Billy looks at Zack and shrugs, the putties continue charging and WE....

CUT TO:

3510 EXT. DOWNTOWN ANGEL GROVE -- DAY (1 min. 23 secs.)
(Outline Cut, Segment #3)

3510

Surrounded by the remnants of a destroyed city, DragonZord and MegaZord (Cyclops) continue to do battle. DragonZord spins his tail, hitting his opponent repeatedly in the head.

GREEN RANGER

Duck and cover, pal.

MegaZord regains his composure and drives a hard right hand into DragonZord's breastplate.

CYCLOPS

This one's for Rita.

The blow knocks DragonZord to the ground in a thundering crash. Meanwhile, Rita watches from her balcony.

RITA

Mmm...not bad, Cyclops. One more shot and you'll be the heavyweight champion of the universe. Get him!

Having seen enough, Green Ranger waits for DragonZord to return to his feet before leaping into action.

GREEN RANGER

Time to put this phony away, DragonZord. Candle or no candle, let's show him what friends can do.

CLOSE ON THE CANDLE

as it continues to burn.

RITA (V.O.)

Watch it, green guy!

Green Ranger slips into his cockpit.

GREEN RANGER

Come on down and fight your own battles, Rita!

With Rocky assisting him, DragonZord is armed and ready. MegaZord (Cyclops) storms toward them.

CYCLOPS

Now, Green Ranger, you're mine!

DragonZord doesn't hold back as he overwhelms MegaZord with an all out attack.

GREEN RANGER

I think you've got that all wrong,
loser.

Once again, WE SEE Rita's spell candle flicker.

RITA (V.O.)

Don't tempt me, Rock head.

DragonZord spins his tail in an attempt to trip MegaZord.

GREEN RANGER

Give it your best shot, Rita.

Unfortunately, the phony zord leaps into the air driving a
hard kick into his adversary.

CYCLOPS

Thanks, I will!

DragonZord plummets to the ground as Rita laughs from her
castle on the Moon.

RITA (V.O.)

Finish him, you fool!

MegaZord tries to land a strong punch into DragonZord, but
his efforts are instantly thwarted.

GREEN RANGER

Not until I say it's time.

DragonZord hits him, knocking him back to his natural form.

GREEN RANGER

Nice eye, dude. Too bad you're so
ugly!

DragonZord swings his razor tail into the Cyclops, but the
Cyclops instantly changes into MegaDragonZord.

CYCLOPS

Two can play at that game, Ranger!

DragonZord fires his fingertip missiles in retaliation.

GREEN RANGER

Not!

Again, the Cyclops is returned to his natural state.

CYCLOPS

"Eye" really don't like you!

Cyclops flies through the air landing a hard kick into DragonZord. He pauses, readying his "Iris-Ray".

CYCLOPS

Do you "see" what I see?!

The laser blast momentarily stuns DragonZord as Cyclops rushes toward him.

CYCLOPS

I think it's time to bring an old enemy into the picture.

Cyclops immediately turns into Jason's T-Rex zord, flailing his arms in contempt.

GREEN RANGER

That old enemy is my new friend, Cyclops.

CYCLOPS

That's what you think.

The zords continue to fight as Rita watches through her RepulsaScope. She smiles enthusiastically.

RITA

Enjoy what little time you have left, Green Ranger. It's almost too late.

And as Rita laughs, WE....

3511 EXT. ANGEL GROVE PARK -- DAY (1 min.)

3511

Zack continues to do battle as the Putty Patrollers relentlessly attack. Fending off one powerful blow after another, he does everything he can to stay in control.

*

ZACK

The way I see it, Billster, one
more putty punch and I've had it.
What do you think we should do?

Billy makes a few notes on a piece of paper. Dropping his
pencil, he bends over to get it as a Putty Patroller dives
over his head and smashes into a tree.

BILLY

Well, Zackery, according to my
calculations, I'd say we have two
options.

Moving into a "hip-hopkido" dance step, Zackery postpones
the attack of two additional patrollers.

ZACK

Let's hear'em, homey. NOW!

Billy steps back and scratches his head as two patrollers
comically collide in front of him.

BILLY

One...we can continue fighting,
morph, and hope that they'll leave.

ZACK

No can do. Even if I morph, there
are too many of them. They'll crush
us.

Zack plants a scissor kick into a Putty's chest.

BILLY

Or two...we can call the Command
Center for help immediately.

Billy and Zack exchange a knowing glance, raise their
communicators to their lips and yell.

BILLY & ZACK

Heeelp!!

CUT TO:

3512 INT. COMMAND CENTER -- DAY

(45 secs.)

3512

Alpha Five stands at the control keyboard as Jason,
Kimberly, and Trini teleport into the Command Center.

JASON

Did you hear that, Zordon?

TRINI

What's going on?

ZORDON

Bad news, Rangers. Two of your teammates are in trouble.

Alpha punches an assortment of keys and switches.

ALPHA FIVE

Aye-yai-yai! Five Putty Patrollers have surrounded Billy and Zack at the entrance to Rita's dungeon portal!

They all turn to see Zack and Billy on the hologlobe.

ALPHA FIVE

You know, sometimes I think if I could get my hands on that witch I'd....

Fists clenched, Alpha begins to hop around as if boxing an invisible competitor. Accidentally, he punches himself in the face and falls to the ground.

KIMBERLY

Are you okay, Alpha Five?

The SOUND of chirping birds is HEARD (SFX) as Alpha appears to be down for the count.

JASON

He'll be fine, Kimberly. Come on, the guys need our help.

TRINI

Power Rangers...Go!

They morph as WE....

Exhausted, Zack continues to fend off their clay faced adversaries.

ZACK
Can we morph now, Billster?

BILLY
Almost, Zack. According to my calculations, the others should be arriving right about....now!

As if on command, the entire group morphs into position.
Now in costume, the entire group is ready for action.

GROUP (V.O.)
Morphitudinous!

JASON (V.O.)
Thanks for the invitation, guys.

TRINI (V.O.)
Mind if I make myself at home?

Trini soars through the air taking on three patrollers at once. As usual, her skills are more than apparent. She overwhelms the putties with an expert assortment of kicks, flips, and hard hitting punches. Kimberly tumbles into position, ready to make her presence known.

KIMBERLY (V.O.)
You guys really need some sun!

She leaps out of the way causing two Putty Patrollers to punch each other simultaneously. Having morphed, Zack and Billy are obviously feeling a little more comfortable with their surroundings.

ZACK (V.O.)
Now this is more like it!

BILLY (V.O.)
Excellent!

Jason knocks two patrollers for a loop while tossing a third into the distance.

JASON (V.O.)
Anybody interested in seconds?

Giving up the fight, the Putty Patrollers turn their backs on the Rangers and instantly vanish (SPFX). Remaining in costume, the kids congratulate each other on a job well done.

ZACK (V.O.)
Kickin', dudes. Thanks for the
back-up.

Kimberly and Billy high five.

KIMBERLY (V.O.)
Power Rangers....morphantastic!

*

Suddenly, Zordon interjects on their communicators.

ZORDON

Jason reaches for his radio.

JASON (V.O.)
Go for it, Zordon.

ZORDON
(filtered)
Jason, you must teleport to
downtown Angel Grove immediately.
Green Ranger is in serious danger.

TRINI (V.O.)
We read you, Zordon, and we're on
our way.

The group prepares for teleportation as Billy pauses in thought.

BILLY (V.O.)
Oh, I almost forgot, you guys.
Bulk and Skull accidentally fell
into Rita's dungeon portal.

*

JASON (V.O.)
We'll save them later, Billy. Right
now, Rocky needs our help. Any
objections?

*

The kids look at each other, shaking their heads in agreement.

*

JASON (V.O.)

business.

*

GROUP
Mighty Morphin' Power Rangers!!!

3515 EXT. DOWNTOWN ANGEL GROVE -- DAY (2 min. 16 secs.)
(Outline Cut, Segment #4)

3515

As you might expect, DragonZord and Cyclops are still in the heat of battle. Holding DragonZord over his head, Cyclops spins the qiant zord in circles.

CYCLOPS
How 'bout going for a little spin,
DragonZord?!

Cyclops lets go, causing DragonZord to fly through the air landing on a cluster of skyscrapers.

CYCLOPS
Whoops! I guess DragonZords can't
fly!

Cyclops laughs as the city errupts in smoke and flames.

WE PULL IN TIGHT

on DragonZord, motionless on the city street.

RITA (V.O.)
Do something, Cyclops. The candle's
weakening.

CYCLOPS
Yes, my queen.

CLOSE ON THE CANDLE

as its firey wick nearly blows out.

Suddenly, a violent energy field surrounds DragonZord causing Green Ranger to writhe in pain.

GREEN RANGER
Wait a second! No! This can't
happen yet!!

Locked inside his cockpit, Green Ranger raises his hands in frustrated anger.

GREEN RANGER

You can't take my power away from
me, Rita! I am the Green Ranger!!

Instantly, the Power Rangers morph to the location.

GROUP

Morphitudinous!

BILLY & ZACK

Let's do it!

The ground begins to crumble as Jason calls forth the
Rangers' mighty zords.

JASON (V.O.)

Hang on, Rocky. Back up is on the
way.

KIMBERLY (V.O.)

That's what I call service!

Jason's T-Rex zord is the first to rise.

JASON (V.O.)

Long time no see, big red.

Zack's Mastodon zord is next.

ZACK (V.O.)

One Zack attack, comin' up!

Billy's Triceretop zord makes its way across the desert
sands....

BILLY (V.O.)

Triceretop zord is armed and
functional.

...as Trini's Saber zord follows close behind.

TRINI (V.O.)

Saber tooth zord is ready for
action.

Last, but not least...Kimberly's zord flies out of its
volcanic nest.

KIMBERLY (V.O.)

Don't move, Rocky. That one eyed
loser is in my sights!

The Rangers leap into their respective cockpits.

JASON

Up we go, Rangers!

TRINI & KIMBERLY

Radical!

Thunder and lightening strike on the horizon.

GROUP

Morph us to the max!!

MegaZord's eyes illuminate indicating proper enqagement.

JASON

MegaZord transformation...A-Okay!

Cyclops doesn't like what he sees. Rita's candle continues to flicker.

CYCLOPS

Beat the clock, Rangers!

Green Ranger gives instructions to his fellow teammates.

GREEN RANGER

Thanks for droppin' by, you guys.
Cyclops is too strong. I'd say
MegaZord's definitely gonna need
some help.

The Rangers reply from MegaZord's cockpit.

JASON

We hear you, Rocky. UltraZord is on
the way!

Suddenly, UltraZord makes its way across the open terrain.
MegaZord merges with DragonZord initiating the appropriate
sequence.

KIMBERLY (V.O.)

UltraZord transformation
...activated.

BILLY (V.O.)

Maximum fire power available in 7.8
seconds.

The zords merge as the forbodding UltraZord moves into
position.

ZACK (V.O.)

When Cyclops "sees" us comin', he's
gonna wish he had a new pair of
glasses!

Jason turns toward Rocky inside the cockpit.

JASON

Get ready, buddy. It's time to....

GROUP

Rock n' Roll!

Laughing like a madman, Cyclops charges the UltraZord.

CYCLOPS

"Eye" can see you, Power Rangers!!

JASON

Battle stations, everybody. Cannons
ready. UltraZord...fire!

A powerful set of laser cannons make direct contact with
Cyclops. The monster is momentarily stunned before vanishing
into an electric haze.

CYCLOPS

Owww! "Eye'll" be back!

The kids react accordingly.

GROUP

Morphitudinous!

GREEN RANGER

Nice going, gang!

Suddenly, Rita's candle burns out.

RITA (V.O.)

Not so fast, Rock head.

Green Ranger clenches his head in pain.

GREEN RANGER

Nooo! The spell's too strong. I
can't hold on!

Surrounded by a green power surge, Rocky vanishes.

KIMBERLY

We've got to help him, you guys,
but where'd he go?!

As they look down at the street, WE....

CUT TO:

3516 EXT. DOWNTOWN ANGEL GROVE -- DAY (1 min.)

ROCKY
What's happening to me?! Why?!

He looks at his gloved hands (ROCKY'S POV) as their usual green aura (SPFX) fades in and out.

WE PULL BACK

high over Rocky as he yells out for assistance.

ROCKY
Zordon...help me!

Instantly, the Power Rangers teleport down to the surface. Kimberly and Jason kneel beside their friend. *

KIMBERLY
Hang on, Rock, everything's gonna be okay.

ROCKY
But my powers?! The Green Ranger?!
I'm losing everything!

CLOSE ON JASON

as he takes Rocky's hand.

JASON
That's not true, dude. You're still one kickin' blackbelt and you've still got your friends. *

ZACK
No matter how powerful Rita becomes, man, she can't take that away from anybody! *

His head cradled in Kimberly's lap, Rocky takes a deep breath pondering the situation.

ROCKY
You don't understand!! Why can't Zordon stop this from happening?!

Suddenly, Zordon's voice echoes around them.

ZORDON (V.O.)

Because, Rocky, the time has come
for the legend of Green Ranger to
come to an end.

You have done well, Green Ranger.
