ACT ONE

PROLOGUE

3801. EXT. ANGEL GROVE PARK - DAY

(10 sec.)

We open with a shot of what appears to be Zack, Kimberly, Trini, Billy and Jason materializing on earth. On closer inspection, we note a red glow in their eyes, giving them that alien-timberwolf look. We are not dealing with our run-of-the-mill Rangers!

'Jason'

We've got our orders!

They don evil-looking sun-glasses to cover the red in their eyes.

'Jason'

Let's go!

CUT TO:

3802. INT. SCHOOL HALLWAY - MINUTES LATER

(1 min.50 sec.)

****'Jason' and 'Zack' looking, like, totally tough, saunter down the near-empty hall, each carrying a big box of "Squeaky Clean Laundry Detergent." 'Billy' and 'Trini' follow, carrying crowbars; 'Kimberly' trails with an oversized wrench. A curious Bulk and Skull tip-toe behind with the subtlety of a pregnant hippo.

The 'rangers' stop in front of the drinking fountain. Jason and Zack rip open the detergent boxes. Kimberly sets the wrench down and leans against the lockers. She reaches into her jacket. She takes out a nail file. She brings the file to her nails and...starts filing. Bulk and Skull walk up to Kimberly.

Skull

Hey, hot stuff! Wanna catch the submarine races tonight?

'Kimberly'

(throaty) Sure, sweet lips, give me a call.

**

Bulk and Skull walk off in a daze. They look at one another:

Bulk/Skull

Huh?

Bulk pinches Skull.

Skull

Ooouuccchhh!

Bulk
Just making sure you're not dreamin'!

Skull
Thanks, Bulk!

The class nerd walks up to Billy.

Nerd
Hi Billy!

Billy shoves him against the wall.

'Billy'
This is gonna hurt you a lot more than
it's gonna hurt me.....

Billy spins the nerd, who reels down the hall like a top.

'Billy'
Pasta La Pizza Baby!

Billy and Trini topple the fountain to the floor with the crowbars; a pipe in the wall is revealed. Zack and Jason disperse the soap. Kimberly hands the wrench to Zack who then tinkers with the pipe. Bulk looks fondly at Zack. Skull hands him a tissue.

Bulk
I couldn't be prouder if he were my own
son!

**The kids finish their sabotage and observe Mr. Caplan, who walks up to a fountain. He takes a drink and foam pours forth into his face.

Caplan
What on earth is going on?!

****Foam pours onto the floor. Caplan slips down the hall and lands on his rear! His toupee flies in the air and lands on the floor. The bell rings and kids slip and slide in the background. CU up of 'Jason' who, observing the scene, smiles. He takes off his glasses, revealing glowing red eyes.

Caplan fumes amid the general chaos. 'Kimberly' skips up to him.

'Kimberly'

Hey, Caplan, where's your hall slip?

Kimberly gives him a shove, sending him sliding down the middle of the hall and landing, splat!, on his rear!

Caplan

Detention!

The evil power rangers tear down the hall, laughing. Caplan gets up, only to slip again, his arms flailing in the air!

'Zack'

Man, we really cleaned up!

Seconds later, our real heroes turn the corner. They see the sea of soapsuds! They watch as Caplan tries again to get up only to slip back onto the floor! Jason grabs the wrench from the floor and shuts off the water supply. Zack, Kimberly, Billy and Trini offer to give their classmates a hand, but are rebuffed.

** Billy
Can we give you a hand?

** Nerd
Haven't you done enough damage already?

Bulk looks kinda hurt and walks over to Jason.

I wonder what mom made for detention today....

Kimberly

Tch. Tch. Imagine spending all that money on something you can't even wear!

Skull looks on longingly and starts muttering to himself.

Skull drools over Bulk's food, licking his lips.

Bulk

Quit staring! Your ugly mug is ruining my appetite!

Bulk digs in big time. Zack looks over, disgusted.

Zack

Yo, Bulk! How about giving your friend here a spare ton of food?!

Bulk tosses Skull a can of soda and continues slurping down food. The Rangers huddle in the center of the room.

Jason

Something's not right.

Trini

Yeah. Bulk thinks Zack's his friend.

Zack

Skull thinks he's got a date with Kimberly.

Kimberly winces.

Billy

Not even Skull is that mentally deficient.

Rita

This is my Knight in Shiny Mirrors, one
of my best monsters ever! Finster, tell
us what he can do!

3806 CONT.

Finster (INTERCUT SHOT HERE!!!!)

concocting their so-called twin! He will
now transform you back into Putty
Patrollers!

Rita

Now we can get on with my plan to destroy
that miserable planet once and for all!

The Knight waves his sword; sparks float through the air as the
staff turn into putties.

Rita

Scorpina will lead you into battle;
you'll be in capable hands.

Scorpina smiles and then covers her face with her hand.

Goldar

Back on earth, you will once again
turn into exact replicas of the Power
Rangers! Our aim is to shatter their
reputations, so do your best to do your
worst!

Goldar nods. The Putties are excited!

Rita

So is everybody ready? Let's go, on
the double!

** Bulk
Out of my way, pinhead!

** Skull
I wanna see, too!

**Bulk and Skull get in a shoving match. Skull lands in a heap, gets back up and sits meekly next to Bulk. Bulk, glued to the tube, laughs hysterically; Skull emulates him. Bulk punches Skull on the arm good-naturedly; Skull punches back. They continue to punch one another jokingly, with Skull taking his cues from Bulk. Billy pulls out a pad and starts taking notes.

3819. EXT. JAPANESE FOOTAGE (2 min.)

Back to Zack, who tosses his foe over the balcony. The good Zack jumps over the balcony after him, lands on the bad Zack, who rolls on the ground. Another Putty is revealed! Now the Jasons battle!

'Jason'
Come and get me!

The two Jasons spar with swords.

Jason
You know what they say, it takes two to mangle!

One of Jasons is propelled to a nearby grassy knoll. This Jason transforms itself into the Knight in Shiny Mirrors!

Knight
(snarling) Do you believe in mirror-cles?

The rangers regroup and draw their weapons! The Knight raises his sword, delivering a lightening bolt! Boom! The Rangers fall!

Zack
Man, we better do something before we get foiled!

The knight creates an optical illusion which makes everything look like a kaleidoscope. Where there is one, the Rangers see seven!

3819 CONT.

Kimberly

I've heard of seeing double, but this is
ridiculous!

The Knight fires! They all go down! They struggle to get up.

Jason

C'mon! Let's go!

The five rangers unite in a human pyramid. The Knight hurls his
sword. The rangers each call forth their weapons!

Zack

Cosmic Canon!

Kimberly

Battle Bow!

Trini

Dino Dagger!

Billy

Mighty Mace!

Jason

Power Sword!

They then call forth the MegaGun and rally behind it.

**

Jason

It's time to say good knight!

Zap! The Knight in Shiny Mirrors is no more!

**

Rangers

Morphinominal!

** Skull

(TO BULK) So what's an extra two years?

** Bulk

Put a lid on it, nincompoop!

3823 CONT.

Caplan opens the door and peers in. The Power Rangers all sit in their desks, posture perfect with their hands folded.

All Power Rangers
Good afternoon Mr. Caplan!

Caplan slams the door. The punks are agape.

Bulk
Hey, how'd you do that?!

Kimberly
With mirrors, like this one!

Kimberly pulls out a compact mirror. She looks in it.

Kimberly
Aaaiiggghhh!!!!

Zack
Chill, Kimberly, it's all over.
Everything's going to be okay.

**
Kimberly
Okay?!! I'm getting a zit the size of Mars
and you say everything's okay?

The bell rings; Caplan opens the door.

Caplan
Well, I hope you've all learned a lesson!

Jason
We sure have!

The Rangers file out; Skull and Bulk slink after them.

See you guys here tomorrow!

Bulk

Er, six. Wait! I already said that!
I give up!

Bulk unplugs his ears and removes his blindfold.

Bulk

They're gone!

Skull

Er, two...

Bulk

What didja do with them?!

Skull

I can't hear you!

Bulk yanks Skull's fingers from his ears.

Skull

They're gone!

Bulk

Nothing gets by you! C'mon! We gotta
find 'em!

The punks check inappropriate places, lifting desk tops, opening the drawers of the teacher's desk, looking under their lunch pails.
