Music video montage as the five Power Teens, minus Zack, play basketball. Kimberly is about to shoot at the basket when Zack, dressed in a (white) gorilla suit, sneaks up behind her and scares her. Kimberly turns around, freaks out and screams. Zack removes the head of his gorilla costume and laughs.

ZACK (Laughing)
You should have seen your face

KIMBERLY (Sacrastically)
Very funny, Zack.

The Power Teens laugh.

TOMMY
What's with the monkey suit, Zack? *

ZACK *
Show biz, man. I was performing at my *
little cousin's birthday party. *

JASON *
C'mon, get out of that suit and let's *
play some ball. *

As the game stars up again, Zack removes the suit, and tosses it * behind a bush. He joins in the game which continues until Jason * gets a beep. *

JASON
Zordon, we read you.

ZORDON (VO)
Jason, you and the others must teleport to the Command Center immediately.

JASON
Guys, trouble! Let's go.

We're ready to take on Zed.

ALPHA
Aye, aye, aye, it's not Zed, It's Zordon.

Zordon pops into view. His sphere is, however, statically charged and waving.

ZORDON
Rangers, due to a galactic imbalance caused by the planets' simultaneous linear alignment, I will temporarily deionize.

The Rangers react with curious looks to one another.

KIMBERLY
What does that mean?

BILLY
It means that Zordon is going to de-energize and lose his powers for a short time.

ALPHA
Oy!

ZORDON
This phenomenon happens only once in a millennium. It will occur momentarily. I must warn you, Rangers, that Zed knows of this black out and will most likely attempt to take advantage of it.

ZACK
We really have to be on our guard this time, guys.

TOMMY
You're not kidding. So far Zed makes Rita look like Cinderella.

ZORDON
Alpha, in my absence, I am entrusting the responsibility of the Command Center entirely to you. Remember Zed can strike at any time.

ALPHA (Hesitating)
Uh, um, no problem-o.

Zordon statically fades out. His tube becomes empty and dark. The rangers look at each other with worry.

JASON
We're going back to Angle Grove now, Alpha. Be sure to contact us the minute there's any trouble.

The Power Teens teleport out, leaving Alpha alone.

ALPHA
Have fun Rangers. Don't worry about poor little ole, me, all alone in this big lonely Command Center slaving away with the fate of the universe resting on my circuits....

6303 INT. ZED'S PALACE 6303

ZED
Say good-bye forever, Zordon. Without you, my Primator will have those pathetic Power Rangers fighting each other until none of them are left. (Evil Laugh)

6306 EXT. BASKETBALL COURT-DAY 6306*

Zack and Jason look for Zack's Gorilla costume.

ZACK
Weird, I know I left the costume here, right behind this bush.

JASON
It'll show up. C'mon, we better get to Billy's lab to finish our science project.

Zack and Jason leave. Zack still looks perplexed.

6307 INT. COMMAND CENTER. 6307

Alpha is watching bad SABAN cartoons on the viewing globe.

ALPHA
This is getting boooring...let's see what's happening at the park.

Alpha activates the viewing globe changer. He sees a young Boy (DYLAN) holding a soccer ball and shouting for his mommy.

DYLAN
Mommy, Mommy...where are you?

Dylan starts to cry. Alpha realizes the little boy is lost.

ALPHA
Looks like trouble. Better contact the Power Rangers

Alpha is about to page the Power Teens when he realizes that he doesn't really need them.

ALPHA
Wait. I don't need the Rangers to save this little boy. I can do it myself!

Alpha turns to check Zordons status.

ALPHA
Zordon?..oh..Zooorrrrdon. (Beat) I guess he's really not there. Pasta la Pizza...Alpha Ranger to the rescue!!!

6308 EXT. PARK-DAY 6308

Bulk and Skull wearing headphones and holding tape recording equipment are scouting for Power Rangers. *

BULK
Shhh.. I hear a strange noise. *

Bulk is hearing the incoming missile like noise of Alpha's scream as he is landing to Earth. *

ALPHA (VO)
Aye, aye aye aye aye. *

SKULL (LISTENING)
You think it's a Power Ranger, Bulky boy? *

Alpha lands in the park, on his butt, right in front of Bulk and Skull. Alpha, looks up at Bulk and Skull and screams. Bulk and Skull scream back, turn to run , run in to each other, and then run away. *

ANGLE ON ALPHA who manages to get up, and brushes himself off.

ALPHA
Hmm, Humans....they're so strange! *

Dylan, holding his soccer ball, comes running into frame still looking for his mother.

DYLAN
Mommy...Mommy.

ALPHA
Hi. I'll help you find your mommy.
What's your name?

DYLAN
Dylan. Hey who's in there?

ALPHA
Who is in where?

DYLAN
Wow, I get it, you're a remote control robot.

ALPHA
I am no such thing. I am an Alpha 5, Command Center prototype.

(CONTINUED)

DYLAN
Cool.

ALPHA
I bet your mommy is looking for you right now. You know, the best thing to do when you're lost is to stay put. Let's wait right here, together, until she arrives.

DYLAN
Okay, wanna play soccer?

ALPHA
Sock who?

DYLAN
No silly. You kick the ball with your foot. Look.

Dylan kicks his soccer ball right into Alpha, knocking him on his butt again. Alpha struggles to get up.

ALPHA
Sports. I'm not too sure about this.

Dylan helps Alpha up.

DYLAN
(Laughing)
It's easy, Alpha. C'mon, I'll show you.

Ten second music montage of Alpha and Dylan playing soccer. They're both having a great time. Montage ends with Dylan hugging Alpha. Alpha giggles.

6309 INT. ZED'S PALACE 6309

Zed is watching Alpha and Dylan play soccer.

ZED
Excellent. Not only is Zordon out of commission, but his motor mouth metal head robot helper is on the loose.

GOLDAR
Too perfect, your excellency. The Primator can trick that enemic android into leading us to the Command Center.

ZED
I didn't ask you to speak!

Goldar powers.

ZED (CONT.)
Indeed, it's the perfect opportunity to destroy Zordon forever and then the Power Rangers. Primator I command you to go to the park. Now!

6310 EXT-PARK-DAY 6310

Behind a tree and out of sight from Alpha and Dylan, the Primator appears, beats its chest Tarzan style, and magically transforms into "Billy" with an evil blue glow in his eyes, who continues to beat his chest Tarzan style. "Billy" jumps up and down and laughs like an evil hyena. Alpha gives the ball a mighty kick, over Dylan's head; it is caught by "Billy".

"BILLY"
Looking for this?

ALPHA
Uh oh. Busted.

"BILLY"
And disgusted! Alpha, you are a naughty, naughty boy. Who is minding the Command Center?

ALPHA
Aye, aye, aye I just wanted to....

"Billy" bends down to look at Alpha, right in the face.

"BILLY"
Just wanted to nothing. Let's get back to the Command...

As Billy/Ape speaks he sees his reflection in Alpha's gleaming helmet. "Billy's" eyes begin to glow blue .

ALPHA
Hey, you're not Billy.

"Billy" turns into Primator and grabs Dylan. Dylan steps down hard onto the Primator's foot and frees himself.

PRIMATOR
Ow!

ALPHA
Run, Dylan, run!

Dylan runs off. The Primator grabs Alpha.

PRIMATOR
Led me to your command center, now.

ALPHA
Make me, monkey face.

Alpha presses a bunch of buttons on his chest plate. Alpha's sirens are going off; his warning system is activated.

ALPHA
(Warning system)
Disassembly of program in effect. Self destruction imminent.

Alpha collapses. Primator leans over to get close to the collapsed Alpha to hear what he is saying.

ALPHA
(weakly)
Now you'll never find the Command Center. (beat) Banana breath.

Primator rises beating his chest, frustrated by Alpha's clever maneuver.

6311 INT. ZED'S PALACE 6311

ZED
Primator leave that metal junk pile and go destroy the Rangers. Now!

6312 EXT-PARK-DAY 6312

TRINI
Are you okay, Kim?

KIMBERLY
Yeah, but that Zack. This time he has taken his practical jokes too far.

TRINI *
C'mon, let's get back to the Youth * Center. *

6319 INT. YOUTH CENTER 6319

Tommy is doing a karate kata; Jason, Zack and Billy are watching * him. Trini and Kimberly run up to them aghast. *

KIMBERLY
Tommy, you're okay!

Tommy does a roundhouse kick and lands right in front of * Kimberly. *

TOMMY
I'm better than okay; I'm great.

Trini turns to Zack and starts to chastise him.

TRINI
What was that all about, Zack? It wasn't funny.

ZACK
What are you talking about?

KIMBERLY
You know what we're talking about. Remember, like Tommy is losing his powers and we have to get to the park right away.

(CONTINUED)

ZACK
Huh?

TRINI
We got attacked by Putties. Where were you?

JASON

TRINI
Then something really strange is happening around here.

DYLAN
Alpha, You're getting better.

TOMMY
Guys, we can't find Alpha anywhere.

JASON
Neither can we.

TRINI
Billy, can you activate the viewing globe?

BILLY
I'm afraid only Zordon or Alpha can do that.

KIMBERLY
Great! Alpha's out of the Command Center, Zordon's out of commission and Zed's out to get us.

The lights on the console come back on. Zordon's tube starts to glow. Zordon appears.

BILLY
Look, it's Zordon. He's reionized.

They all turn to face Zordon.

ZORDON
Rangers, we have a crisis.

TRINI
Where's Alpha?

ZORDON
Behold the viewing globe.

Angle on viewing globe. Insert footage of Dylan comforting an ever weakening Alpha.

ALPHA (WARNING SYSTEM)
Seven minutes to total destruction and counting.

KIMBERLY
Oh my gosh, Alpha!

TRINI
We've gotta save him!

The Command Center's alarms go off.

ZORDON
I'm afraid there's no time for that. The Primator is about to destroy Angel Grove harbor.

Angle on viewing globe showing Kongador at the Harbor, beating his chest.

ZACK
That is one ugly ape!

ZORDON
Rangers, he has the power to turn himself into any one of you, thus making it impossible for you to know whom to fight.

KIMBERLY
It must of been that ape who changed himself into Zack and told us to go to the park. (beat)(to Zack) Sorry, Zack, for mistrusting you.

ZACK
Solid, Kimberly. Let's get this bogus baboon.

TRINI
But what about Alpha?

ZORDON
In order to save Alpha, there is no time to waste. Hurry Rangers.

JASON
It's morphin' time.

PRIMATOR
You can't fight me, I am the great Primator.

JASON
Your monkey meat! That's what you are.

PRIMATOR
We'll see about that. ' Primator does a Tarzan call).

The Rangers square off to fight the Primator . Each one does a karate preparation move and takes a stance.

JASON
He's mine guys.

TOMMY
No, he's mine!

ZACK
I got him, stand back!

BILLY
I'll cover you.

KIMBERLY
Me too!

TRINI
Let's go!

"TRINI"
Yeah, let's get 'em!

TRINI
Huh, what the... I'm Trini.

"TRINI"
No your not, I'm Trini. Jason, tell 'em who I am....I'm Trini, really...I am.

TRINI
That's a lie, you know it.

(CONTINUED)

TOMMY
Woops, looks like double trouble.

ZACK
Yeah.

KIMBERLY
That's not fair.

BILLY
Hmmm, ponderous.

KIMBERLY
Fight fair.

JASON
Hmmm....I got an idea. I'll fight you both. I'll know by your styles who is Trini and who is not.

Jason squares off with the two Yellow Rangers. One of them refuses to fight with Jason.

TRINI
I can't fight you Jason, were friends.

The other leaps after Jason.

"TRINI"
I'll show you who I am.

As the "Yellow Ranger" jumps into the air, it pulls a dagger on Jason. The Rangers immediatly know that Trini would never do such a thing and Blast it with their Power Phasers.

RANGERS
Blast him guys.

They blast the "Yellow" ranger and she turns back into the Primator and falls to the ground.

PRIMATOR
Ochh, that smarts.

JASON
Trini, we knew that wasn't you. Now let's get this big baboon.

A fight between the Rangers and the Ape ensues, music and kee-yah's underscore it. Finally Black Ranger and the Ape square off and they fight over a cliff. "Black" Ranger comes out from behind a bush and Red Ranger rushes to his side.

(CONTINUED)

JASON
Are you Okay?

"BILLY"
I'm fine.

"Black Ranger" takes a swing at Red Ranger, and the Rangers realise that this is not Billy. They fight "Black Ranger" off until the real Black Ranger appears. Surrended by the Rangers the"Black Ranger" begins to do flips, turning into each of the Rangers in mid air. Finally ending up as the "Red Ranger".

JASON
Hold it guys. This one is on me.

The Red Rangers fight. One of them is knocked back into the other Rangers who surround and protect him. The Rangers prepare to attack the other.

JASON
Wait. He's the one.

They turn to look at the "red" ranger who is protectively encircled by the other Rangers as he begins to fight them all. They cannot outsmart the Primator . The Rangers regroup and call Zordon.

JASON
Zordon, we need your help.

ZORDON
Rangers report to the Command Center. Immediatly.

6324 INT. COMMAND CENTER- 6324

The six Power Rangers holding their helmets face Zordon.

JASON
Zordon, we can't outsmart Zed's monster!

TOMMY
We just don't know who to fight.

ZORDON
Rangers, I have discovered a clue. Behold the viewing globe.

Angle on viewing globe showing "Billy" talking to Alpha. When "Billy" leans down and looks into Alpha's helmet, he changes into Kongador. Primator grabs Dylan, but Dylan steps on the Kongador's foot and runs away.

BILLY
Wait, Zordon. Replay the part where that pseudo "Billy" transformed into the Primator.

Angle on viewing globe as a slow motion version of the "Billy" to Kongador transformation takes place.

BILLY (VO)
Watch, it seems to me that as the Primator sees his reflection in Alpha's helmet, he is unable to maintain his altered state.

JASON
Awesome, Billy. That means when he turns into one of us, we just gotta get him to see his own reflection.

ZACK (addressing Kimberly)
(jokingly)
Anyone got a mirror?

KIMBERLY
Guys, you know what they say, "Don't leave home without it".

Kimberly pulls out a mirror from under the Command Center consul and hands it to Billy (Mirror must match Jap.footage).

TRINI
Way to go, Kimberly.

JASON
Guys, let's give that ugly ape a good look at himself.

The six Power Rangers teleport out.

6325 EXT- ANGLE GROVE HARBOR. 6325

Billy, Jason and Trini come over the bridge while the other Rangers search for the monster in another area of the port.

JASON
Where are the others? Wait..there's Tommy.

"TOMMY"
Guys, guys, I'm loosing my powers. That Ape is too much for us. We'd better give up.

6325 CONTINUED: 6326

Red Rangers knowing Tommy would never say let's give up, gives this imposter a swift kick. "Tommy" goes flying backward and rolls.

JASON
Tommy would never say give up, you imposter.

Billy takes out the mirror that Kimberly gave him in the Command Center and walks toward "Tommy".

BILLY
Let's do a little experiment...Tommy...Let's see if refracted light can make your true colors come out.

Billy hands the mirror to "Tommy" who takes it and looks at his reflection. We see "Tommy" turn many different colors and his spell has been broken.

"TOMMY"
Huh, what...What's going on here.

BILLY
Seems your helmet is a little off color.

"Tommy" helmet changes colors and he returns to the shape of the Kongador. The Kongador beats his chest.

JASON
Okay buddy, now that you've lost your powers let's see if you can fight fair.

The Kongador turns to run away but is stopped by the other three Rangers who appear behind him. The Knogador beats his chest and the fight begins. (Cut fight down to 20-30 seconds until the Kongador grows. Insert new Zords and Kongador fighting footage. ADR appropriate dialogue.)

The Fight is finished.

TRINI
Hurry guys! We must get to Alpha before it's too late.

JASON
Let's go!

6326 EXT. PARK-DAY 6326

Alpha is on his last wire. The warning system is still counting down. Dylan is cradling Alpha.

DYLAN
Alpha, I'll take care of you forever.

ALPHA (WARNING SYSTEM)
Ten seconds to destruction...ten, nine, eight, seven....

The Power Rangers (In costume) appear.

DYLAN
Wow, the Power Rangers! Can you save my friend?

TRINI (TO BILLY)
Hurry! You've got to disconnect the system, Billy.

Blue Ranger rushes to Alpha and frantically works on him. As the others look on, we hear Alpha's warning system.

ALPHA (WARNING SYSTEM)
Five, four, three, two....Aye, aye, aye.

BILLY
I did it!

ALPHA (WARNING SYSTEM)
All systems go!.

RANGERS
Yes!

Dylan's mother appears and embraces her son.

DYLAN
Mommy!

MOTHER
Dylan! Where have you been? I've been looking all over for you.

The mother notices the Power Rangers.

MOTHER
Thank you, Power Rangers for finding my little boy.

6326 CONTINUED:

JASON
It's Alpha who must be thanked.

Alpha rises and brushes himself off.

ALPHA
Just call me Al..pha-Ranger.

DYLAN
You're my heroes.

TOMMY
You're our hero, Dylan.

Tommy gives Dylan a high five.

BILLY
Dylan, we must go now to complete Alpha's repairs.

As the Power Rangers teleport off with Alpha, Dylan stands in awe next to his mother who holds him close. He looks up waving to the teleport beams.

DYLAN
Bye Rangers, bye Alpha, I will always remember you.
