BLOOM OF DOOM

Prologue

FADE UP ON:

6501 INT. YOUTH CENTER - DAY 6501

It's "New Club" week, and the teens have tables set up at the youth center to sign up new members. (note: TRINI'S table is next to KIMBERLY'S. BULK & SKULL'S table is on the other side of Kimberly's. BILLY has a science club. His table is on the other side of Trini's.) ZACK has a Hip Hop Kido Club.

Trini is surrounded by students in front of her "VOLLEYBALL CLUB" table, signing up.

TRINI
Thanks for joining my club everybody! Our first practice will be at the volleyball court in fifteen minutes!

Kimberly stands behind her table wearing her new flower-print outfit. She's holding a cactus plant with a flower on it. On her table is a sign -- "GARDEN CLUB". So far there are no people at her table. Looking over at Trini, she waves.

KIMBERLY
Hey, Trini! You've got a mob scene! What a turn out!

TRINI
I know...isn't this great?

Kimberly nods, but looks around, worried.

KIMBERLY
Yeah, great...for some people.

She watches as more students flock to Trini's table. Trini smiles. Kimberly smiles back, but is concerned, and says to herself,

KIMBERLY
I hope there's somebody left to join my club!

CUT TO:

6502 INT. ZED'S PALACE - DAY 6502

Lord Zed watches the scene unfold. His P.O.V. (special effect) He laughs an evil laugh.

LORD ZED
Kimberly's touch of jealousy is just what I need to put my plan of destruction in motion.

Goldar, Squatt and Baboo cower near their evil emperor.

GOLDAR
I'm sure it's a marvelous plan, oh evil one...but how will you do it?

Lord Zed sweeps by his bumbling minions, throwing his massive gown around, pushing them out of his way.

LORD ZED
Have you no brains at all? I'll poison one of her silly cactus plants! When she pricks her finger on it, she'll fall under my evil spell and turn her totally against her little friend.

Squatt and Baboo nod.

SQUATT
Of course! Master!

Zed brushes them aside, casting them an aggravated look.

LORD ZED
Her jealousy will be the beginning of the end for all those Power Geeks. (evil laugh)

ACT ONE

FADE UP ON:

6503 INT. YOUTH CENTER - DAY 6503

Activity with students in front of various club tables.

CLOSE ON ZACK, showing off some steps in front of a group of kids.)

ZACK
Come on, join up! This'll be the first step we learn today.

CLOSE ON BULK & SKULL'S TABLE. They have tape recorders, and "James Bond" type electronic equipment piled up on it. Skull is wearing some apparatus on his head. (They are both wearing their "mystery" outfits)

BULK
Listen up! The unsolved mysteries club is now accepting applications!

SKULL
We meet outside in half an hour. Be there or be square!

ON Mr. Caplan, who is fumbling with a handful of sign-up sheets, looking from club to club, frustrated. He speaks to Kimberly.

MR. CAPLAN
What a confusing mess! Some of the sign-ups are here...some are in the auditorium...I just hope everyone knows where to go to find the right club!

ON Kimberly as she stands behind her table, glancing at her watch.

KIMBERLY
I don't get it! I know there were people interested in this club! Where is everybody?

Caplan looks at Kimberly, then at his list. He throws his hands up in frustration and hurries out of scene.

6503 Cont.

Kim picks up a cactus plant and looks at it lovingly.

KIMBERLY
We're going to design the best garden this place has ever seen.

6503 Cont.

Two kids are signing up at Bulk's table. Bulk looks at Kimberly's empty table and makes a sarcastic face. He gestures proudly at his club members.

BULK
Ya can't do much with a club of one, Miss flower power. Did your best friend get all the club members? Ha ha ha!

Skull laughs his characteristic laugh. Kimberly glares at Bulk and Skull, then shrugs.

KIMBERLY
Lighten up, okay? Someone'll show up sooner or later.

Bulk and Skull laugh. Kimberly looks around to see if anyone is heading her way. Nobody is. She picks up her cactus plant, looks at it and sighs.

Kimberly sets down her plant and walks over to the juice counter.

CUT TO:

6504 INT. ZED'S PALACE - DAY 6504

Zed cackles and his room glows with a greenish color. Goldar, Squatt, Baboo and a couple of putties are there.

LORD ZED
Soon Kimberly will be green with jealousy!

Zed's eyes glow. His P.O.V. as a cactus plant exactly like Kim's appears in the hands of a nearby Putty.

LORD ZED
Goldar! Pour a few drops of my jealousy potion on that cactus!

Goldar walks to a shelf and takes a bottle of bubbling liquid and pours it on the plant.

LORD ZED
Excellent. Now, go, putty! Switch this poisoned plant for Kimberly's!

The putty mumbles putty talk, and takes the plant in his hands, then disappears.

CUT TO:

6505 EXT. YOUTH CENTER - DAY 6505

Zed's Putty materializes, holding the cactus plant. He then transforms into a strange-looking guy. He smiles a wicked smile and heads into the youth center.

CUT TO:

6506 INT. YOUTH CENTER - DAY 6506

Kimberly is talking to Ernie. Their backs are turned so that they cannot see the strange man when he appears at the doorway with the cactus plant.

ERNIE
Here you go, Kim. Passion-fruit, and pineapple...for energy to plant your garden.

KIMBERLY
I may not get much planted, Ernie. The most happening club seems to be Trini's.

ON STRANGE GUY. He looks around to be sure no one is paying attention to him, goes to Kimberly's table and switches his poisoned plant for hers. Smiling wickedly, he quickly leaves the youth center.

DISSOLVE TO:

ON Kimberly. She finishes her drink.

KIMBERLY
I better get back though, in case somebody does sign up!

ERNIE
Good luck, Kim.

Kimberly heads to her table, and starts rearranging the cactus plants. She picks up her favorite plant, and accidently pricks her finger. Suddenly her eyes glow green.
CLOSE ON KIMBERLY'S face as she reacts. She becomes insanely jealous of Trini. She puts her hands on her hips and looks over at Trini's table angrily.

6506 Cont.

ON KIMBERLY as her eyes glow green again. She stomps over to Trini's table...very sarcastic.

KIMBERLY
Nice going, Trini. Thanks for hogging all the kids for your club!

Trini and Billy look at each other and frown, confused by Kimberly's outburst. Zack comes over to see what's happening.

TRINI
I didn't do it on purpose, Kimberly!

ZACK
Yeah, lighten up, Kim. Don't take it personally.

TRINI
I'll help you get club members after our first practice, okay?

Kimberly turns toward camera, eyes glowing green. She turns back to Trini.

KIMBERLY
I don't need your help. I can do it better without you, anyway, so just buzz off!

Reaction shot of Trini and Billy looking at each other.

TRINI
What's gotten into her!

CUT TO:

6507 INT. ZED'S PALACE - DAY 6507

Lord Zed is pleased.

LORD ZED
I'll tell you what's gotten into her! Evil! Now it's time to think about what kind of monster I should send to battle those brats.

CUT TO:

650 8 INT. YOUTH CENTER - DAY 650 8

Jason and Tommy enter wearing Karate outfits, and carrying sports bags. They go to the juice bar to get some drinks as Bulk and Skull come to the counter.

JASON
What's up, Bulk?

BULK
Not much, beefcake!

ON KIMBERLY as she scowls in Bulk's direction. CLOSE ON EYES as they glow green, then she walks up to them.

KIMBERLY
You slimeballs actually have members in your club?

Bulk and Skull are indignant. Jason and Tommy watch in amazement.

BULK
Yeah! Lots of them, too.

SKULL
We had to offer free food, but what the heck! Wanta join?

Kimberly backs up in disgust,

KIMBERLY

Not in this lifetime.

BULK

Too bad. Cuz our first gig is to nail the true identities of the Power Rangers.

6508 Cont.

Tommy and Jason look at each other. Skull holds up the microphone and tape recorder.

SKULL
We heard the Power Rangers talk. Now all we gotta do is find voices that match what we heard! Cool, huh?"

Skull foists a little microphone into Kimberly's face. Kimberly snarls at him.

KIMBERLY
Get a life, dimwit!

SKULL
She's definitely not a Power Ranger!

BULK
She's just in a snit because she's in a fight with Trini.

Bulk and Skull grumble at her, take their cartons and fumble their way out the door.

ON TOMMY. He frowns at Kimberly's strange attitude and looks to Ernie.

ERNIE
Hey, Tommy. Maybe these will cheer her up.

Ernie takes some flowers out of a vase on the counter. (The red, hawaiian flower with the long yelow stamen) and gives them to Tommy. Tommy gives them to Kimberly

TOMMY
Sorry you had a fight with Trini, Kim. Maybe these will help you get over it.

JASON
It's a drag to get into a hassle with your best friend...

Kim grabs the flowers.

KIMBERLY
I hate flowers, and Trini's not my best friend!

Tommy and Jason look at her in amazement. Kimberly keeps the flowers, picks up her cactus plant and exits.

CUT TO:

6509 EXT. PARK - DAY 6509

Trini and some extras are practicing spiking the ball over the net. They finish the drill.

TRINI
Great practice, everybody. We'll meet again next week!

The extras grab their gear and exit. Jason and Tommy arrive on the scene.

JASON
Hi, Trini. What's going on between you and Kimberly?

TRINI
I don't know. She got really upset that I had a big turn-out for my club.

TOMMY
That's weird. You guys are best friends. She should have been happy for you.

TRINI
Normally she would be. It's not like her to be so jealous.

TOMMY
Maybe we should go back to the youth center and talk this out.

BULK AND SKULL trudge into the scene with a couple of "club members". Bulk laughs as he passes the teens.

BULK
It'll be a waste of time to check these geekoids out.

Skull laughs his laugh.

SKULL
Yeah, they don't have what it takes to be Power Rangers!

BULK
But, to be scientific, we gotta check everybody.

6509 Cont.

Skull thrusts the microphone in their faces.

JASON
Give me a break, Skull.

TOMMY
Yeah...cool it.

But as Skull is trying to get everyone's voice on tape, he accidently surrounds Bulk's legs with the microphone wire, tying him up. Bulk starts to walk and falls flat on his face. He gives Skull a dirty look.

CUT TO:

6510 EXT. OUTSIDE YOUTH CENTER - GARDEN 6510

Kimberly is kneeling in her garden. She glances at the flowers Tommy gave her, and rubs her head. For a moment, she remembers how much she likes flowers.

KIMBERLY
Wow...I thought I liked flowers.

CUT TO:

6511 INT. LORD ZED'S PALACE - DAY 6511

Lord Zed doesn't want Kimberly's heart to soften. He starts to get mad, and as he does so, his room changes color.

ZED
The spell is weakening! It's time to turn those flowers into my Bloom of Doom!

CUT TO:

6512 EXT. JAPANESE FOOTAGE - DAY 6512

The plant monster appears in an outdoor location, shaking its pollen.

CUT TO:

6513 INT. COMMAND CENTER - DAY 6513

Sirens go off, and Alpha checks his controls.

ALPHA
Zordon! What could this be?

ZORDON
My sensors can feel Zed's evil nearby.

The viewing globe springs to life, and INSERT footage of the plant monster, shaking fiery pollen.

ZORDON
If the Power Rangers don't act now, the pollen will cause a fire storm of astronomical proportions! Alert them!"

Alpha pushes a button on the console.

CUT TO:

6514 EXT. PARK - DAY 6514

Jason, Tommy and Trini get the communication from Zordon as they're heading back towards the youth center.

JASON
We read you, Zordon.

ZORDON (v.o.)
Zed has sent his Bloom of Doom to destroy the planet! You must morph to the city side of Angel Grove park immediately.

TOMMY
I'm ready. Let's go.

TRINI
Shouldn't you conserve your power, Tommy?

ZORDON (v.o.)
Trini. Tommy knows of the danger. The decision to join you must be his.

6514 Cont.

TOMMY
And I say I'm going with you.

ZORDON (v.o.)
Then go now! Alpha will contact the others.

JASON
It's morphin time!

CUT TO:

6515 EXT. STANDARD MORPHING SEQUENCE - DAY 6515

Standard morphing sequence for yellow, red, and green rangers.

CUT TO:

6516 INT. YOUTH CENTER - DAY 6516

On Billy and Zack. They're packing up their stuff in the youth center. They're alone when their communicator sounds. They rush to the alcove of the youth center and answer.

BILLY
Yes. We're here.

ALPHA (v.o.)
You must morph and join the others at the city side of the park, immediately!

ZACK
We're on it, Alpha! It's morphin time!

CUT TO:

6517 EXT. STANDARD MORPHING SEQUENCE 6517

Morph sequence for Black and Blue ranger.

CUT TO:

6518 EXT. YOUTH CENTER GARDEN - DAY 6518

KIMBERLY
Come in, Zordon

6518 Cont.

ZORDON (v.o.)
You are urgently needed at the city side of the park, Pink Ranger! You will need a special weapon for your task. Alpha is beaming it to you now!

A special ribbon-weapon appears in Kimberly's hands.

CUT TO:

6518 Cont.

KIMBERLY
So, how exactly do I use this Zordon?

ZORDON (v.o.)
Wrap it around the monster like a vine, Kimberly. Good luck.

KIMBERLY
Better that it's in my hands than two timing Trini's. It's morphin time!

CUT TO:

65 18 EXT. STANDARD MORPHING SEQUENCE 65 19

Morph sequence for Pink Ranger.

CUT TO:

65 20 EXT. JAPANESE FOOTAGE - DAY 65 20

The teens flip onto the scene, and line up in a formation against the flower monster.

MONSTER
I'm surprised to see you all together, Power Rangers.

JASON
We're a team. And our mission is to destroy you!

MONSTER
We'll see...wait till you meet my assistants!

The putties suddenly disappear and go after Jason first.

JASON
Ki ya! Remember to go for their Z spots, guys!

The putties go after Billy.

BILLY
Ki ya, Ki ya Ki ya!

Next, Zack.

ZACK

6520 Cont.

Take this, ugly.

Kimberly's next.

KIMBERLY
I'll handle this!

6520 Cont.

Kimberly flips in and gives a couple of good karate chops on some putties.

KIMBERLY
Ki ya! Ki ya! There.

Then Trini joins the fray.

TRINI
Let me give you a hand, Kimberly!

KIMBERLY (v.o.)
I don't need help from you!

Trini battles some putties.

TRINI
Aahh! Ki ya!

Tommy goes into it. Suddenly, the putties all disappear, and the Flower monster starts shaking its fiery pollen. The pollen singles out the guys, and they lunge to one side. The girls dodge the other way.

JASON (v.o.)
Hey, what is this!

BILLY
It's like fire!

TOMMY
It's burning hot!

KIMBERLY
Jason!

TRINI
No!

On Jason and the guys as the strange pollen gets on their suits and clouds their vision.

JASON
I can't see! It's making me sneeze!

BILLY
Me too. The pollen is like pepper!

ZACK
We have to stop it somehow!

6520 Cont.

TOMMY
I can't fight it! The pollen is making me weaker!

Trini shouts at the monster.

TRINI
You can't do this! I'll find a way to stop you!

KIMBERLY
No, Trini. I'm the one who can do it! Take this message back to Zed!

Kimberly wraps a ribbon-like weapon around the plant monster, giving it a fiery blast. Trini runs in with her weapon.

TRINI
Nice set-up, Kimberly! Now I'll finish the job!

Trini runs toward the monster, using her Power Dagger. She goes to strike the monster only to have it disappear before her eyes.

TRINI
Huh?

ON Kimberly.

KIMBERLY
I almost had him. You spoil everything, Trini.

Kimberly goes after the plant monster with her ribbon weapon again. She wraps the ribbon around it, but the monster uses its vine-like arms to pull her down.

MONSTER
How's it feel to be so jealous, Pink Ranger?

KIMBERLY
What?

The monster stares at Kimberly with its one eye, and hypnotizes her.

MONSTER
Look at me...you can not escape.

6520 Cont.

KIMBERLY
What's happening? I...I can't think straight...

BILLY (v.o.)
What's it doing to her?

CUT TO:

6520-A EXT. STOCK FOOTAGE - DAY 6520-A

TRINI
Where'd she go?

JASON
We better teleport to the command center!

ZED
Your jealous heart will be your downfall, Pink Ranger! There's nothing anyone can do to save you now!

FADE UP ON:

ACT TWO:

6522 EXT. JAPANESE FOOTAGE - DAY 6522

The Flower monster hypnotizes Kimberly, and puts her into a dark, misty, cactus world.

KIMBERLY
Hey...where am I? Ha, there you are! Prepare to be defeated, monster!

6522 Cont.

MONSTER
Highly unlikely, Pink Ranger. You are on your own. Your jealousy has destroyed your friendship. Give up. Join us!

KIMBERLY
I don't believe you! Besides, I'll never join you. I'll destroy you!

MONSTER
So be it. Try to fight this!

The monster sends fiery pollen towards Kimberly, which explode all around her. She falls to the ground.

CUT TO:

6523 INT. COMMAND CENTER - DAY 6523

The other Rangers materialize in the Command Center, with their helmets off. (in their hands) They are still rubbing their eyes.

JASON
What's Zed done with Kimberly?

ZORDON
Zed has cast a spell on her and poisoned her with jealousy. He's trying to pit you against each other, Rangers!

TRINI
So that's it! We can't let him do that! We have to help her!

ZACK
Where is she now?

ZORDON
In an interdimensional warp. It may be impossible to penetrate it and free her.

TOMMY
But we can't just leave her there...

ZORDON
Alpha is working on it, Rangers.

CUT TO:

6524 INT. JAPANESE FOOTAGE - DAY 6524

Kimberly is struggling with the monster.

KIMBERLY
You can't win...my friends will come for me...

MONSTER
You have no friends, Power Ranger. Your jealousy ended them forever!

KIMBERLY
I don't believe you! You're lying!

The monster wraps her in its vine-like arms and starts to drag her toward it.

MONSTER
Give up. You are finished!

ON KIMBERLY in the misty desert, struggling for her life.

CUT TO:

6525 INT. COMMAND CENTER - DAY 6525

BILLY
Let me see those calculations, Alpha. I have an idea.

Billy takes over the computer from Alpha, and prints out something. He picks it up and reads it as the others circle around him.

BILLY
Just as I thought. Even though Kimberly's in another dimension, she's still reachable.

Billy pushes a few more buttons and pin-points her location.

TRINI
Can you locate her?

6525 Cont.

BILLY
Yes. I have it! If you throw your daggers at a 90 degree trajectory course, you'll penetrate the dimension, and break the spell of jealousy.

ZORDON
You must hurry, Trini or Kimberly may be lost forever!

TRINI
I'm morphing back into action!

TOMMY
Good luck, Trini.

Trini teleports out of scene.

CUT TO:

65 26 EXT. JAPANESE FOOTAGE - DAY 65 26

ON KIMBERLY in the misty world, as two daggers protrude the space, and hit the flower monster.

TRINI (v.o.)
Hang on, Kim!

Suddenly, they are back outside, and Trini is up on a bridge.

TRINI
Are you okay, Kim?

KIMBERLY
I think so. Thanks, Trini.

TRINI
No problem. That's what friends are for! We are friends, aren't we?

KIMBERLY
Always!

TRINI
Then let's chop this plant down to size!

Trini flips down from the wall and shakes hands with Kim.

6526 Cont.

TRINI/KIMBERLY
Friends! Forever!

The plant monster growls.

6526 Cont.

TRINI
Are you ready?

KIMBERLY
Let's get him!

The girls flip. Trini uses a foot punch to the flower. Kimberly does a gymnastic flip onto Trini's shoulders, then leaps into the air with her Power Bow, shooting arrows at the monster.

KIMBERLY
Time to weed out Zed's garden!

Kimberly shoots a blast at the monster. The boys leap into the act.

JASON
I'm glad you're back together, ladies.

TOMMY
Me too. I don't know what we'd do without you, Kim.

KIMBERLY
Thanks guys. Now, let's cut that monster down!

The rangers face off in formation. (INSERT FOOTAGE OF THE POWER GUN SET UP)

CUT TO:

JASON
Commence sequence for Mega-Thunderzord Combination!

CUT TO:

6529 INT. ZED'S PALACE - DAY 6529

Zed is quietly smoldering. He sits on his throne, pointing his finger at his minions, sending electric sparks at them. His room glows dark red.

ZED
I should turn you all into snakes! I don't like to be outsmarted by insignificant humans...even those with special powers!

GOLDAR
Sorry, master! Forgive us!

ZED
Trust me...the next time I meet them, I shall not be defeated!

F.T.B.

END OF ACT TWO

EPILOGUE
FADE UP ON:

6530 INT. YOUTH CENTER - DAY 6530

The teens are in the youth center at Kimberly's botanical garden table, which is now surrounded by many other students. She's holding one of her cactus plants.

KIMBERLY
Sorry about the confusion, guys. Next time I'll call you all personally to let you know where the meeting is!

The extra students clap, take a plant and gardening tool and move to the other side of the room. Mr. Caplan rushes over to Kimberly's table.

MR. CAPLAN
Thank goodness everyone figured out where to go. I accidently put the wrong location in the school paper, Kimberly.

(Kaplan starts to sneeze)

KIMBERLY

That's okay, Mr. Kaplan. My friends didn't give up until they found me!

KAPLAN

Achoo!

Kaplan checks his toupe; it's still in place and he moves away, and the rest of the power teens surround Kimberly.

KIMBERLY

Trini, can you ever forgive me for being such a brat?

TRINI

Of course I do! Our friendship is solid as a rock!

TOMMY

It'll take a lot more than Zed to disband this group!

6530 cont.

Bulk and Skull shuffle in alone. Every one of their members quit after lunch. They are covered with mud, with leaves and moss stuck to their hair. Bulk plops down at the table.

BULK

Now we'll expose those Power
Ranger's true identities!
Listen up! Turn it on, Skull.

The Power teens look at each other nervously.

ZACK
You mean...you think you found out who they are?

BULK
We'll just play this tape and see if we recognize the voices we heard. Roll it, Skull!

Skull turns on the tape machine, and all the tape unravels and rips as it is spewed out of the machine.

SKULL
No way! This must be a faulty cassette!

Bulk snarls at Skull.

BULK
Can't you get anything right?

Skull sulks backwards, away from Bulk.

BULK
Okay...it was a dead end this time, but let me tell ya, next time, we'll catch them in action! Indiana Bulk is not giving up till he learns the truth!

The teens look at each other, then at Bulk.

TRINI
Good luck, Bulk!

JASON
I think you're gonna need it!

The teens look at each other knowingly, and shake their heads in laughter as we,

FADE OUT.
