PROLOGUE

FADE IN:

7201. EXT. ZED'S OTHERWORLD - DAY

7201.

It is only moments after last episode. The POWER RANGERS, stripped of their costumes and morphers, stand trapped within an energy field before LORD ZED and his five DARK RANGERS in the icy, hellish Otherworld of the iniquitous emperor.

LORD ZED

Zordon chose five teen-agers to become the Power Rangers, defenders of the world...now I have chosen five to become my Dark Rangers, and destroy it!

Trini is pissed...

*

TRINI

Your evil will never win out in the end, Zed...

*

Zed moves toward them...

LORD ZED

Really? Right now your precious sage and his wind up robot are trapped inside the Command Center...they'll be lost forever.

✗

Zack turns to the Dark Rangers...

✗

ZACK

You guys don't know what you're doing...when Zed's through with you he'll destroy you, too...

Dark Black Ranger turns to him...

ZANE

No one has ever given us a chance like Lord Zed has...he's promised us his loyalty...

BILLY

Listen to us... the only person Zed is loyal to is himself...

Zed produces the green glowing crystal...

LORD ZED

Enough. I have other matters to attend to...

He admires the crystal...

LORD ZED

Such as observing the destruction of the former Green Ranger...

KIMBERLY

What have you done to him? Where is he?

LORD ZED

Somewhere in this Otherworld...stripped of his powers...and fighting for his life.

Kimberly is worried...Zed turns to his Dark Rangers...

LORD ZED

And soon, my friends, you will be called into action to join my plan...to take over the world!

As he laughs, we see the faces of the Power Rangers, we:

7202. EXT. OUTDOOR LOCATION - DAY

7202.

TOMMY is in the same location as last episode...pressed up against a rock, hiding from TURBAN SHELL...

TURBAN SHELL

Come out, come out wherever you are...

Turban Shell moves closer to where Tommy is hiding. Tommy's heart is pounding, beads of sweat roll down his face...

TURBAN SHELL

It's no use hiding, Tommy. Turban Shell will find you... and without your powers, you are no match for me!

Turban Shell is only a foot away from where Tommy is standing now. He lets out a giddy little laugh as his "hand" touches the edge of the rock Tommy's crouched behind. Tommy holds his breath, closes his eyes tight...on this terrifying moment, we:

FADE OUT.

END PROLOGUE

ACT ONE

FADE IN:

7203. EXT. OUTDOOR LOCATION - DAY

7203.

Turban Shell has his "hand" on the rock Tommy (out of costume) is crouched behind...

TURBAN SHELL

(laughs)

I smell a coward behind this rock...

As Turban goes to pull back the rock, Tommy suddenly leaps out with a loud...

TOMMY

Kya ya! - *Dr*

And takes a karate stance few feet away from Turban Shell, surprising the creature.

TOMMY

I'm not a coward, worm face.
You want me, come and get me.

TURBAN SHELL

This is going to be fun!

And Turban Shell charges toward Tommy, and a fight begins! At first, Tommy manages to keep up with Turban Shell and stand his ground, but soon Turban is getting the better of Tommy, delivering some powerful blows that he could only take if he was in costume.

Tommy lands on the ground, out of breath... Turban Shell stands opposite him.

TURBAN SHELL

You look pretty tired, Tommy.
Too bad I won't let you rest!

And Turban starts laughing. Off Tommy's worried expression, we:

7204. EXT. COMMAND CENTER - DAY

7204.

There's a RED ENERGY FIELD surrounding the Command Center...

ALPHA (VO)

Ay yi yi yi yi...

7205. INT. COMMAND CENTER - SAME

7205.

Alpha is at the computer console... we can HEAR the electric HUMMING of the energy field...

ALPHA

I still can't break through
Lord Zed's energy field, Zordon...

ZORDON

He's cut us off from the outside world. Alpha...

Alpha checks a computer reading...

ALPHA

And there's more bad news...
computer data reveals that the
energy field is slowly compressing
around the Command Center...

ZORDON

Which means that if we don't
somehow stop it...we'll be crushed
from its force...

Alpha throws up his arms...

ALPHA

Oh, where are the Power Rangers?!

7206. EXT. ZED'S OTHERWORLD - DAY

7206.

Goldar stalks the line of Power Rangers, growling and foaming at the mouth as he eyes each of them...he stops at Jason. Jason feels the heat of his gaze...

GOLDAR

Can I crush them now, my master?

LORD ZED

No.

GOLDAR

Please don't deny me that pleasure,
O Great One...

Zed motions for him to stop...

LORD ZED

Quiet, creature!

(then)

I am sending them back to earth...
where they will witness Turban Shell
ravage their city...and be helpless
to stop him!

Trini pleads with him...

TRINI

No, Zed, please...innocent people
will be hurt...

8187041028

LORD ZED

Silence! My decision is made.
You will watch your city fall...
and be powerless to save it!
It is a fitting punishment...

And he raises his scepter, shooting a ball of energy at the five Rangers which envelops them...in a FLASH they are GONE! Zed laughs evilly.

7207. EXT. PARK - DAY

7207.

The Power Rangers APPEAR in a FLASH. Jason immediately tries to contact Zordon...

JASON

(into communicator)

Zordon, this is Jason...come
in...

Billy's inspecting his...

BILLY

The frequency is still jammed...
but I might be able to figure out a
way to break through the energy field
back at my lab...

ZACK

It's our only chance. If Zed is sending
Turban Shell to mess up Angel Grove,
we don't have much time...

KIMBERLY

And we still gotta find Tommy --

7208. OMIT

7209. OMIT

7210. OMIT

7211. EXT. OUTDOOR LOCATION - DAY

7211.

Tommy's fight with Turban Shell continues...Turban knocks Tommy to the ground and laughs. Tommy is lying helplessly on the ground, tired from the fight. As Turban moves in for the kill, Goldar suddenly appears at his side.

GOLDAR

No! Step aside, underling.
Tommy is mine.

TURBAN SHELL

No! He's mine!

GOLDAR

Heed my order, worm, lest I feed you
to the birds.

TURBAN SHELL
Watch it, Goldar...!

GOLDAR
Go! The master needs you...

And suddenly Turban Shell DISAPPEARS. Now Goldar stands above Tommy.

GOLDAR
Greetings, Green Ranger. Or
should I just call you...Tommy?

Goldar laughs insanely. Tommy gets to his feet. Goldar begins circling him, like a vulture its prey...

GOLDAR
How does it feel to be stripped
of your powers forever? Are you...
"green" with envy?

Goldar laughs again. And then he stops.

GOLDAR
Your humiliation is far from over,
human.

A black REMOTE CONTROL type device appears in Goldar's hand. Tommy takes note of it...

GOLDAR
Because you will soon pledge your
allegiance to me!

TOMMY
No way, Goldar! No way! *Refuse*

Goldar aims the TimeScreen device at the empty air, and suddenly an EMPTY ENERGY SQUARE appears next to Tommy. (Think of it as a one dimensional television screen).

GOLDAR
Watch, human...

Tommy's eyes move over to the screen and he sees himself as the GREEN RANGER...

ON TOMMY as he reacts with surprise and confusion...

7212. ON SCREEN - GREEN RANGER AND MONSTER - JAPANESE FOOTAGE 7212.

The screen now fills the scene... we see Green Ranger battling a monster. (pulled from an earlier episode... about 45 seconds each).

GOLDAR (VO)
You were such a hero, weren't
you...?

The battle continues and then we:

7213. ON TOMMY - DAY

The Green Ranger battle sequence continues...

GOLDAR (VO)
Such a fine addition to the Power
Rangers...

7215. BACK ON TOMMY - DAY

7215.

Still watching the viewscreen, almost in a hypnotic state...

GOLDAR
You and your precious Dragonzord
were a powerful force...

7216. ON SCREEN - GREEN RANGER & DRAGONZORD - JAPANESE - 7216.

Footage of Green Ranger calling Dragonzord forth, and the two of them
in battle against another monster...

GOLDAR (VO)
Witness the greatness you once
were, human...

The footage continues. Green Ranger overcomes another supervillain...

7217. BACK ON TOMMY - DAY

7217.

who has a sad look etched across his face...

GOLDAR

...And realize you will never be
that again! You are now only a
shadow of your former self...
nothing more than a has-been!

Goldar fills the air with his gloating laughter as the TimeScreen FADES
away. Tommy looks like a broken man...Goldar has indeed struck a
nerve. Tommy feels what he's saying is true... he sinks to his knees.

GOLDAR

What a pathetic sight...

Off Tommy's hopeless expression, we:

7218. INT. BILLY'S LAB - DAY

7218.

Billy is busy at work on a gadget that may break through the energy
field around the Command Center while Trini and Zack anxiously
wait...there's a TV on in the background...

ZACK

How you comin', Billy?

BILLY

Yes -- A breakthrough! My communicator
locked on to the electric field
surrounding the Command Center,
and I'm feeding that information
into the computer...

TRINI

Will it figure out how to
dismantle the force field...?

BILLY

No... But it may tell us how
to temporarily break through it
and establish contact with Zordon...

NEWSCASTER (VO)

...We interrupt this program for
a special live report...

Trini points to the tv...

TRINI

You guys, look --!

They gather around the tv and see:

7219. ANGLE - TV

7219.

where we see JAPANESE FOOTAGE of TURBAN SHELL attacking the city...

ZACK (VO)
Attack of the ninety-foot worm!

NEWSCASTER (VO)
About ten minutes ago a creature
known as Turban Shell began
another assault on Angel Grove.
It was less than twenty-four hours
since its first attack was stopped
by the Power Rangers...

7220. BACK ON THE POWER RANGERS

NEWSCASTER (VO Cont'd)
...But the question this time
is...where are they now?

The Rangers exchange concerned looks...

7221. EXT. LORD ZED'S OTHERWORLD - DAY

7221.

The five Dark Rangers stand ready for battle behind Lord Zed who stands on a mountain top above them...

LORD ZED
(laughs)
The Power Rangers must stand idly
by while my monster destroys their
city...

Justin speaks up...

JUSTIN
...And then we'll be ready to move
in and conquer earth!

Zed looks down at them...

LORD ZED
Yes, my loyal warriors. As soon
as the Zords have been reprogrammed,
the Dark Rangers will make their
wicked debut!

As Zed, and the Dark Rangers, laugh...

FADE OUT.

END ACT ONE

ACT TWO

7222. INT. BILLY'S LAB - DAY

7222.

Billy is at his computer, still hard at work trying to break through to Zordon... Jason and Kimberly join the others who are gathered around the tv set...

KIMBERLY

Have you guys seen the news...?

Trini points to the tv...

7223. ON TV - TURBAN SHELL - JAPANESE FOOTAGE

7223.

Turban Shell continues his destruction...

KIMBERLY (VO)

He just took out another building...

7224. BACK TO SCENE

7224.

Zack pulls away from the television...

*

ZACK

Man! We need to get our powers back...

*

KIMBERLY

...before it's too late...

*

7225. EXT. COMMAND CENTER - DAY

7225.

The energy net around the Command Center is considerably tighter...

ZORDON (VO)

Alpha, have you found any solutions?

7226. INT. COMMAND CENTER - DAY

7226.

Alpha is busy at the console...the humming still persists...

ALPHA

Nothing seems to be able to break down the energy field...and it's closing in, Zordon...

ZORDON

At this rate we don't have much time left before the Command Center implodes...

ALPHA

Ay yi yi yi yi...

8187041028

7227. EXT. OUTDOOR LOCATION - DAY

Goldar stares into the eyes of a defeated Tommy...

GOLDAR

There's no one here to help you.
human...

Tommy is numb. He says nothing.

GOLDAR

Before I send you spinning through
the universe with this time device,
you will bow down before me!

Tommy slowly drops to his knees. He is beaten.

GOLDAR

Yes! And now you will admit
that I am your superior...

Tommy's head is bowed.

GOLDAR

Say it out loud so my ears
will hear the words of a fallen
hero paying me tribute!

Tommy is silent for a moment, then:

TOMMY

Goldar...

Struggle

Goldar is thirsty for this moment...

TOMMY

You... are...

Tommy hesitates, and then looks right up into Goldar's eyes...

TOMMY

...outta your mind!

And he leaps up and charges Goldar with unbridled force, totally
catching the gold beast off guard and sending him backwards. He drops
the TimeScreen device and Tommy grabs it...

TOMMY

I almost gave up on myself,
Goldar, but your little picture
show reminded me how much good
I've done not only as the Green
Ranger, but as me...plain ol'
Tommy!

Now

Goldar gets to his feet...

GOLDAR

Give me that device, human...

TOMMY

You want this? Come and get it!

As Goldar charges toward Tommy, Tommy aims the device at him and presses a button... a beam of light shoots out and engulfs Goldar, and in a flash, he's gone...!

TOMMY

Great. Goldar's gone, but how the heck am I gonna get outta here --

(looks at the communicator)
--wait. This thing is some kinda time device... maybe I can contact myself in the past...

Tommy turns a dial on the device, and a beam of light engulfs him, then shoots out of his body and creates a force of light beside him that turns into a SECOND TOMMY. The Second Tommy hands the first a communicator...

TOMMY

Huh?

SECOND TOMMY

It's a (static) time warp...
I got (static) message...

And the Second Tommy DISAPPEARS.

TOMMY

Cool. I'm home free...

And Tommy presses his communicator and he TELEPORTS OUT...

7228. INT. BILLY'S LAB - DAY

7228.

Billy is still working in his lab...

BILLY

I've got something...

The others crowd around him...

BILLY

The computer's broken through the force field... we should get a visual on screen...

Just then, Tommy TELEPORTS in...

KIMBERLY

Tommy!

She moves to hug him...

TOMMY

Man, am I glad to see you guys.
I've gotta lot to fill you in on...

*Chatterbox
celebrated*

ZACK

Same here...

ANGLE - COMPUTER

as Zordon's face appears ON SCREEN...

ZORDON

* * *

ZORDON

There's no time to waste, Rangers.
Zed's green crystal must be shattered
to return things to normal...and only a
non Power Ranger may enter Zed's dimension
undetected...

Tommy steps forward.

H

TOMMY

And that's me... *Tommy*

JASON

No, Tommy. It's way too dangerous --

TOMMY

-- I have a personal score to settle. *INSIT*

Jason nods.

TOMMY

I'm ready, Zordon... *Tommy*

ZORDON (VO)

Alpha will teleport you inside...

surrounds Tommy...and he disappears!

LORD ZED

The zords are ready for you,
Dark Rangers. It is time!

Tommy stealthily makes his way over to the stump and grabs the crystal.
Zed spins around to see him, aghast...

LORD ZED

-- Tommy? Impossible!

TOMMY

'Fraid not, Zed. Game's
over...

And he smashes the green crystal on the stump...

TOMMY

And you've lost.

Lights flicker...and suddenly the Dark Rangers are stripped of their costumes and returned to their normal clothes...and then they
DISAPPEAR...

LORD ZED

Nooooooo!

TOMMY

You should know by now...you
don't mess around with the Power
Rangers!

And Tommy FADES OUT... Zed lets loose a pained, anguished scream...

Megathunderzord charges, so does Turban. The battle begins as each

TURBAN SHELL

That's real shell power!

Megathunderzord stumbles back...

JASON (VO)

Man, he's even stronger than

TURBAN SHELL

You pathetic losers haven't seen

Turban Shell withdraws into his shell, and then shoots himself at
Megathunderzord... Megathunderzord is blown back and falls to the

ZACK

KIMBERLY

Maybe what they need are some
friends around here.

JASON

Come on.

Jason leads his group over to the juice bar where ERNIE and Richie are passing out drinks to Justin and his gang.

RICHIE

That'll be \$4.50.

ERNIE

That's good, Ritchie. You're
going to do fine as my new assistant.

Justin reaches for his wallet, but Jason puts the money on the counter before he can reach for it. Justin looks over, surprised. Jason smiles at him. A beat, then Justin returns the smile.

Kimberly wraps her arms around his waste...

KIMBERLY

You fought Turban Shell, Goldar...
and even snuck into Zed's chamber...
all without your powers...

BILLY

You're a real hero, Tommy.

TOMMY

Thanks, guys... you know, there was a
moment back there when I almost gave up...
but then I realized it's not just the
costume and power that gives me strength...
but it's who and what I am inside that
really empowers me.

JASON

You'll always be one of us, Tommy.

TOMMY

I'm gonna miss you guys while I'm
away on school break...

(off Kim)

But I'll hold you all close to my heart.

Kimberly smiles and they hug. As they pull apart, Tommy extends his
hand...

TOMMY

And they all pile their hands on top of one another and yell...
