FADE IN:

RECAP: The Power Rangers are on a quest to the Deserted Planet to retrieve the Sword of Light. There they have come under attack and are not able to remove the sword from the statue.

Meanwhile back on Earth, Rocky, Aisha, and Adam, while trying to destroy the Sleep Machine, came under attack by putties and have been captured.

PROLOGUE

8701 EXT. PARK - DAY

Rocky, Adam, and Aisha are bound to a tree a short distance from where the sleep machine is still sending out the cloud. The chain that holds them has a LARGE LOCK.

The putties are in the distance, guarding against more intruders. One of them has a set of BIG KEYS.

AISHA

We've gotta get those keys.

Rocky notices the wind is changing, the cloud is starting to blow back toward them.

ROCKY

(whispering)

The wind! We can't fall asleep. *

They all look toward the ominous cloud heading their way.

Adam reaches his leg out as far as he can to a soccer ball resting on the grass. He is barely able to roll it toward him.

AISHA

Soccer, now?

ADAM

Rocky, can you move behind the tree?
I have an idea.

Rocky slides behind the tree, out of sight of the putties.

ADAM

Go Rocky! Run away!

THE PUTTY WITH THE KEYS RUNS OVER, CONFUSED. Just as he gets close enough, Adam smacks the ball with his foot, sending it into the chest of the putty. It hits the "Z", he dissolves. The keys fall to the ground.

AISHA

Brilliant!

Aisha slides them closer with her foot.

THE OTHER PUTTIES LOOK OVER JUST IN TIME TO SEE the teens breaking loose.

ROCKY

Now, where were we...

8702 A 30 SECOND PUTTY FIGHT FOLLOWS.

AS FAST AS THE PUTTIES ARE DESTROYED, MORE APPEAR. The cloud is approaching, the teens have to do something...

ADAM

Rocky, the ball!

Rocky kicks the ball through the putties to Aisha. She passes it to Rocky, who does a power kick, sending the ball roaring into the air.

THE BALL HITS THE SLEEP MACHINE! It explodes in a dazzling show. The cloud starts to dissipate.

ROCKY

Score!

The teens rejoice.

8703 OMIT

*

8704 EXT. DESERTED PLANET

The Serpentera is blasting the planet, destroying buildings, moons, everything in sight.

8705 INT. SERPENTERA COCKPIT/DESERTED PLANET - DAY

Zed stands impatiently and screams...

ZED

Destroy the deserted planet!

With that, he slams his hand down on a large red button.

8706 EXT. DESERTED CITY

Lightning shoots from the mouth of Serpentera toward the city. From the point where it hits, a red spot of destruction expands in every direction.

8707 EXT. DESERTED CITY

The Rangers are desperately trying to free the Sword of Light from the statue buried in the rubble.

Red and Black Rangers fire their guns at the hand that holds the sword. The others then run in and try to force it free.

A ROAR BEHIND THEM... They turn to see the red storm of destruction approaching.

WHITE RANGER
There has to be a way!

★

ACT 1

8707A EXT. DESERTED CITY

★

The ring of destruction is bearing down on them. Tommy turns to Billy desperately.

★

★

WHITE RANGER
The map, does it say anything?

★

★

Blue Ranger whips out the map. As he does, the GOLDEN RING falls to the ground, glimmering in the sun.

Blue Ranger grabs it and examines the Knight's hand. He slips the ring over a finger.

A BURST OF ELECTRIC ENERGY FLASHES UP THE SWORD! White Ranger pulls, the sword slips out easily.

RED RANGER
(into his communicator)
Now Alpha! Teleport us!

As he screams, the red storm overtakes them, sending them flying back!

8708 INT. SERPENTERA COCKPIT

Zed revels in watching the deserted planet destroyed.

GOLDAR
Got them!

ZED
Good bye Power Rangers. The
universe is mine... all mine

The most evil laugh of all time...

ACT 1

8709 EXT. DESERTED PLANET - DAY

Zed's laugh emanates eerily across the planet... to the place where the Rangers tried to remove the sword.

The head of the Knight, now shattered, rolls down the pile of rubble into frame.

8710 INT. COMMAND CENTER

Alpha is working furiously at the computer.

ALPHA

Aye, aye, aye... They were caught in a massive power wave. I can't bring them in!

ZORDON (V.O.)

Don't give up Alpha.

ALPHA

I have something!

A BRIGHT FLASH! The Yellow Ranger teleports in exhausted and shaken. Then the Black Ranger appears.

MORE FLASHES! The Pink and Red Rangers teleport in, then the Blue.

Alpha works desperately.

PINK RANGER

Where's Tommy?

Billy, now with his helmet under his arm, runs to the console.

BILLY

Amplifying wavelength...

Sparks fly from the computer! Alpha runs over.

ALPHA

You'll overload it Billy!

ZORDON (V.O.)

Wait Alpha.

Billy hits more buttons. Sparks fly...

SUDDENLY A FLASH, AND A GLIMPSE OF THE WHITE RANGER. But he doesn't materialize. Another flash, another glimpse... More sparks from the computer.

FINALLY, IN A DAZZLING DISPLAY OF LIGHTING AND FLASHES, the White Ranger makes it back.

The other Rangers gather around him and rejoice.

ZORDON (V.O.)
Welcome back Rangers.

ALPHA
That was a close one.

The Rangers, now all with their helmets under their arms, turn to Zordon.

TOMMY
We brought the sword. *Report hope*

He holds up the sword, still made of stone.

ZORDON (V.O.)
And because you did, we will be ready when Zed returns with Serpentera.

BILLY
Serpentera will be a formidable challenge. It destroyed the whole deserted city.

TRINI (double)
Zordon, we can't go to the Peace Conference, not now.

ZORDON (V.O.)
Jason, Zach, Trini... In your hearts you will always be Power Rangers, but your destinies are calling you to travel different paths just as important.

The kids exchange looks, they know he's right.

ZORDON (V.O., cont'd)
Retrieving the Sword of Light was your last quest. Your bravery and teamwork proves you are truly ready to help the world in different ways.

(beat)
The Sword of Light will allow your powers to be transferred to three new Rangers.

BILLY
But who?

ZORDON (V.O.)
New Rangers have been chosen. It is
time...

THREE HUMAN FORMS MATERIALIZE... They are backlit, their faces dark.
The lights come up on their faces. It's Rocky, Adam, and Aisha,
dressed as civilians.

The old Rangers are delighted to see their friends.

TOMMY
Rocky! Adam! — *Angry*

AISHA
Isn't this incredible!

ZORDON (V.O.)
Tommy, hold the Sword of Light high
overhead.

The Rangers put on their helmets and move to one side. Tommy moves
to center stage and raises the sword.

ELECTRICITY STARTS TO FLOW THROUGH IT, transforming it from stone, to
silver and gold with beautifully colored gems.

A ray of light beams from Zordon into the sword. From the sword,
beams of colored light emanate toward the Rangers. A red ray beams
toward the Red Ranger, a yellow ray toward the Yellow Ranger, a dark
ray toward the Black Ranger.

Now smaller rays of corresponding colors beam toward the new Rangers.
The rays start small, but grow in intensity as the rays going toward
the old Rangers get smaller.

AS THE TRANSFER IS COMPLETED, the new Rangers transform into their
full uniforms.

The old Rangers turn to Zordon and, all at once, bow their heads in
respect to him.

ZORDON (V.O.)
Go now, go and make the world a
better place. The Power will always
protect you.

They look back up, exchange a nod with the other "old" Rangers.
Then, in a whirlwind of colors, are whisked away.

THE THREE NEW RANGERS LOOK TO ZORDON.

ZORDON (V.O.)
As Power Rangers, you must swear
never to use your vast powers to
harm, only toward good.

One by one, the new Rangers nod confidently.

ZORDON (V.O.)

Rocky, with your strength and knowledge, you will command the power of the Red Dragon Thunderzord.

(to the Yellow Ranger)

Aisha, you are spirited and clever. You will command the power of the Griffin Thunderzord.

(to the Black Ranger)

Adam, you are watchful and intelligent. You will command the power of the Lion Thunderzord.

Alpha steps forward. The Rangers have removed their helmets.

ZORDON (V.O.)

You've been entrusted with the power to save the Earth. Use it well, use it wisely, and it will protect you forever.

The new Rangers beam with excitement. The old Rangers look on proudly.

Kimberly whispers toward Zordon.

KIMBERLY

You couldn't have made better choices.

8711 INT. SERPENTERA COCKPIT

Zed is getting impatient.

GOLDAR

This is as fast as we can go. We used most of our power.

ZED

Let's let the Earth know how much we miss everyone.

He points his scepter forward.

ZED

Make me a monster!

A ray of light shoots from his scepter into deep space.

8712 EXT. PARK - DAY

The ray of light hits a dog...

A monster appears in a FLASH. But it's not a dog, it's a big old TICK. The dog whimpers and runs off.

8713 INT. SERPENTERA COCKPIT

Zed sees the tick and is furious.

ZED

A Tick?! I wanted the dog!
Ahhhh! Crush the Power Rangers
with your Silver Horns!

8714 INT. COMMAND CENTER

SUDDENLY THE ALARMS GO OFF! Alpha runs to the computer as the six Rangers wait to hear...

ROCKY

What's happening?

ALPHA

There's a monster, Silver Horns,
in the park. Zed must be getting
close.

TOMMY

Are you guys ready? ~

*Produce
Payce*

KIMBERLY

(gives them a wink)

We're on call 24 hours a day.

The three new Rangers exchange looks.

ROCKY, ADAM, & AISHA

We're ready.

Tommy steps forward, leader of the new team.

TOMMY

Let's morph back into action! ~

Lead

8715 EXT. PARK - DAY

The Power Rangers teleport in and stand before the SILVER HORNS MONSTER.

WHITE RANGER

Someone called an exterminator?

YELLOW RANGER

I guess that's us.

SILVER HORNS

*

We'll see!

The monster fires, blasting the Rangers to one side.

ACT 2

8716 EXT. PARK - DAY

Putties appear and join in with the monster to battle the Rangers.
The 45 second fight continues.

8717 EXT. HIGH ABOVE PLANET EARTH

The Serpentera has arrived at Earth, descending into the atmosphere.

8718 INT. SERPENTERA COCKPIT

Zed is excited to see they have finally entered the Earth's atmosphere. But looking down at the planet he sees something that makes him mad.

ZED

What! POWER RANGERS! Six of them!
Drats, Zordon must have succeeded
in transferring the powers. You said
we destroyed them!

*
*
*

GOLDAR

They must have escaped.

ZED

Brilliant deduction!
(back to the Earth)
Prepare to attack the Earth! Those
Rangers have seen the end.
(bringing up the silver ball)
Grow monster!

He throws the silver ball down toward the planet.

8719 EXT. PARK - DAY

8720 The silver ball hits and the monster grows to gargantuan dimension.

8721 THE RANGERS WATCH, realizing they need more power.
Their communicators BEEP.

WHITE RANGER
Go ahead Zordon.

ZORDON (V.O.)
Serpentera is descending to Earth.

WHITE RANGER
Alright Zordon, thanks for the info.

RED RANGER
I'll take care of Silver Horns.
See what you can do about Serpentera.

*

KIMBERLY RANGER
You gonna be okay?

RED RANGER
I was going to ask you the same
question.
(they nod)
I call on the Red Dragon
Thunderzord!

8722 STANDARD THUNDERZORD SEQUENCE.

8723 EXT. PARK DAY - DAY

The huge Silver Horns Monster battles against the Red Ranger Zord.

*

8724 EXT. OVER ANGEL GROVE - DAY

Looking through the sky scrapers, the beautiful blue skies turn dark
as the air is filled with thunder and the frightening roar of...

Serpentera, as the massive destructor soars into the city, over the
buildings.

8725 EXT. PARK - DAY

The Rangers (sans Red) run up and stop, looking high up at
Serpentera.

BLUE RANGER
She's gonna land.

8726 SERPENTERA LANDS, crashing down onto bridges and streets.

8727 EXT. PARK - DAY (DARKENED)

The Rangers (sans Red) have seen Zed set down the Serpentera. They

also have seen Silver Horns pummeling the Red Ranger Zord.

WHITE RANGER
I've gotta help Rocky.

BLACK RANGER
We'll start with Serpentera.

WHITE RANGER
(taking position)
I call on the White Tiger
Thunderzord.

8728 STANDARD WHITE ZORD MORPH SEQUENCE.

8729 INT. SERPENTERA'S COCKPIT

Zed is enjoying every moment.

ZED
And now for the final chapter. Good
bye Power Rangers.

With that he lifts his hands high and punches a button. But rather than do something powerful, the mighty roar winds down to a high-pitched squeal.

ZED
What's going on!

GOLDAR
We have no power left.

ZED
Serpentera, out of power again!
Impossible! It's brand new!

8730 EXT. SERPENTERA - DAY

Serpentera sits on the city. Her red eyes fade to black, her arms relax. She is powerless.

8731 INT. SERPENTERA COCKPIT - DAY

Zed is furious as the lights around him dim. He starts hitting buttons that do absolutely nothing.

Zed rises in frustration and swings up his scepter and sends a ray toward the park.

8732 EXT. PARK - DAY

Zed's ray explodes as the Zord fight continues against the giant Silver Horns. The blast hits the Tiger Zord hard.

8732A INT. TIGER ZORD COCKPIT

The cockpit rocks with the blast. Tommy's in trouble.

TOMMY
I've been hit hard! It won't
respond. I call on Tor!

8732B EXT. PARK - DAY

Finally the Carrier Zord shows up. The White Ranger Zord gets inside the Carrier Zord. The Red Ranger Zord lifts his hand. His stick begins to spin in his hand, acting like a propeller, lifting them off the ground.

The rise into the air, then descend onto the giant Silver Horns. The monster explodes underneath the Zords.

8733 INT. SERPENTERA COCKPIT

Zed watches the fight anxiously.

ZED
Do we have power yet?

GOLDAR
Some, but not full.

ZED
All this evil machinery and not
enough power to destroy an ant!
(roars)
Let's get out of here. We'll be
back! Six Power Rangers or a
thousand, I'll destroy them all!

8734 EXT. SERPENTERA - DAY (DARKENED)

The monster's red eyes begin to glow. Electricity flows through the neck of Serpentera.

The massive machine lifts off, heading for the moon.

8735 EXT. SKIES OVER ANGEL GROVE - DAY

The dark skies clear to blue.

EPILOGUE

8735A EXT. STREET - DAY

A taxi waits in front of an airport terminal. The old Rangers, Jason, Trini, and Zach have unloaded their luggage from the trunk and wave goodbye, then slip into the terminal.

WE DOLLY BACK FROM THE VIEWING GLOBE...

8736 INT. COMMAND CENTER

The Rangers are all present, helmets in hand. Kimberly waves back at the globe...

KIMBERLY

Don't forget to write...

They all smile, then turn away.

They're excited about their first victory together.

AISHA

That monster was the ugliest thing I've ever seen...

BILLY

We have faced many monsters that were equally ugly

ZORDON (V.O.)

Congratulations Power Rangers on your first victory together.

ROCKY

Thanks. My Zord was awesome.

ADAM

That was the most important thing I've ever done... We saved the city.

ZORDON (V.O.)

You've learned fast. But remember, the strength of a Power Ranger lies in the ability to avoid using force.

ROCKY

We understand Zordon.

Aisha and Kimberly look at each other.

AISHA

I don't know...

KIMBERLY

Me either...

The guys look, perplexed.

TOMMY

What don't you know? — *wonder Probe*

AISHA

That helmet, it ravaged my hair.

KIMBERLY

I broke a nail... and it's not the first time.

The guys stare...could they be serious. Finally the girls break into laughter.

The six Rangers jump and do a high-five.

ALL
Power Rangers!
