FADE UP: PROLOGUE

8901 EXT. ANGEL GROVE HIGH - DAY 8901

Establishing shot. Kids entering the building for the start of the school day.

8902 INT. SCHOOL CLASSROOM - MORNING 8902

Bulk, Skull, Kimberly, Billy and Aisha are present. The door opens and Mrs. Appleby enters with a tall handsome fire fighter.

MRS. APPLEBY
Students, we have a special guest with us today. This is Firefighter Newman. He's going to talk about the upcoming Fire Safety Week. *

AISHA
(To Kimberly)
He's cute!

KIMBERLY
Totally! *

NEWMAN
Thank you Mrs. Appleby. The best way to fight fires is to prevent them from happening. This week you'll learn some helpful ways to keep your home and your surroundings safe from fire. As you'll see, most of fire prevention is just common sense.

MRS. APPLEBY
Firefighter Johnson is going to select the Fire Safety Captain from Angel Grove High based on the essays you've written. This is a very important responsibility.

NEWMAN
The Fire Safety Captain will speak with students about fire safety and prevention, as well as inspecting local business for any unsafe conditions that may exist. *

BILLY
(To girls) Being chosen would be quite an honor.

NEWMAN
While I was very impressed with all of your essays, one of them was outstanding. *

Bulk stands up.

BULK
Say no more. As Fire Safety Captain I think it would be best if we all took the rest of the week off school and really thought about what fire means to us.

APPPLEBY
Sit down Bulk. Please continue Mr. Newman

NEWMAN
The student I've selected is Aisha Campbell.

Aisha is both surprised and very excited. Kimberly and Billy ad lib congratulations.

AISHA
Wow, this is so exciting!

On her excitement we CUT TO:

8903 INT. ZED'S CASTLE - DAY / STOCK FOOTAGE 8903

ZED
So do I you little Power twerp. And my first one is to burn down all of Angel Grove.

GOLDAR
That's a brilliant idea, your evilness. Shall I send down the putties with a pack of matches?

ZED
Quiet you overgrown monkey. We will need a special monster. One who can breathe fire. This will be my most dangerous monster yet. Angel Grove is about to become kindling.

On his evil laugh we FADE OUT: END OF PROLOGUE.

FADE UP: ACT ONE

8904 OMITTED 8904

8905 INT. CLASSROOM - NEXT DAY 8905

Aisha has a variety of things laid out on the teacher's desk, including two types of fire extinguishers, , a smoke detector, a multi-outlet power strip, and blow dryer, a curling iron, and whatever else the prop department can think of. Bulk and Skull's chairs are empty in the back of the class.

MRS. APPLEBY
Class I want you all to pay attention. Aisha's going to give us some important information on fire safety.

AISHA
Like Firefighter Johnson said, most of fire prevention is common sense. This morning we're going to talk about the hazards of overloading electrical circuits.

She plugs the blow dryer, the curling iron and a water pik, into the power strip.

AISHA (CONT)
Never plug too many things into one outlet. Like if you're blow drying your hair, and then you want to use your curling iron. But you want to put in some gel first, but then you still have to blow that out with the blow dryer, and then you want to use the curling iron again, just on the ends...

KIMBERLY
You put in the gel after you use the curling iron?

AISHA
Girl, I do, but you can curl first before the gel. Now, my friend Karan, she doesn't even blow dry...

Billy looks as if they are speaking a foreign language.

MRS. APPLEBY
Ladies, can we get back to the fire safety lecture.

AISHA
Sorry.

Bulk and Skull enter in full fireman uniforms with "ANGEL GROVE WANNA-BE FIREFIGHTERS CLUB" written on their jackets. They also have a dalmation puppy on a leash. They have a slide projector and a tape recorder.

MRS. APPLEBY
Bulk and Skull you're late.

BULK
That's "Future Fire Fighter Bulk."

SKULL
And "Future Fire Fighter Skull."

8905 Cont.

MRS. APPLEBY
Take your seats. Aisha was in the middle of a presentation.

BULK
And I'm sure it was fascinating. But we have a presentation of our own... (To Aisha) Why don't you leave this up to the professionals.

AISHA
That's okay, Mrs. Appleby, this should be interesting.

BULK
As official members of the Angel Grove Wanna-be Fire fighters Club, we've prepared a slide presentation on the dangers of letting my father operate the BBQ.

SKULL
Yeah, so pay attention.

BULK
These slides represent the great Bulk family BBQ of 1992. Otherwise known to fire fighters across the county as "The Big One."

Bulk plugs the slide projector into the power strip.

AISHA
Bulk, you should find another plug.

BULK
I know what I'm doing.

Bulk now plugs the tape recorder into the power strip.

BILLY
Uh, guys, that could be dangerous.

The puppy barks his agreement. Bulk hits play on the tape recorder as Skull turns on the slide projector. The power strip begins to spark and smoke, big time shooting out fire. Bulk and Skull of course panic and begin yelling "fire, fire," and clutch each other. The dog starts ripping at Bulk's pants leg. While some of the other students get up and start to head for the exits, Aisha calmly unplugs the power strip and grabs the fire extinguisher spraying the "fire." When the dust settles, we see Bulk and Skull cowering together in an embrace. They quickly separate, embarrassed.

AISHA
Remember everyone...Water and electricity don't mix.

8905 Cont.

BULK
That was a test to see how the class would react in a real emergency situation.

AISHA
Actually guys, that was a really good demonstration of what not to do.

The students laugh at Bulk and Skull.

MRS. APPLEBY
Aisha I'm very proud of you.

CUT TO:

8906 EXT. JUICE BAR - AFTERNOON 8906

Establishing shot.

CUT TO:

8907 INT. JUICE BAR - AFTERNOON 8907

Tommy, Billy and Kimberly are just finishing putting up some Fire safety Week flyers. Aisha inspects the juice bar with a clipboard in hand, while Ernie looks on.

BILLY
That should do it.

AISHA
Did you put any up in the hallway?

KIMBERLY
Not yet.

AISHA
We can't afford to leave anywhere out. Not when it comes to something as important as fire safety.

KIMBERLY
I'm sorry. We'll put them right up.

AISHA
Cool!

TOMMY
I've got to go meet Adam and Rocky in the park for a run.

AISHA
If you're going by the mall, could you put up some flyers?

8907 Cont.

TOMMY
No problem.

AISHA
And put some up at the library also. Oh, and the gas station and the video arcade...

Without waiting for an answer she hands Tommy a stack of flyers and walks off with Ernie.

AISHA (CONT)
Okay, Ernie, lets see how the kitchen looks.

Tommy is a little taken aback.

TOMMY
Aisha's taking this thing kind of seriously don't you think?

BILLY
I would concur.

KIMBERLY
C'mon guys. This is a big opportunity for her. She's just trying to do a good job.

BILLY
I suppose you're right.

TOMMY
Well, I've got my work cut out for me. See you guys later.

CUT TO:

8908 INT. ZED'S CASTLE - DAY

ZED
If my plan is going to work I must catch the people of Angel Grove off guard. I can't let the pesky power geeks put up any more of those flyers.

GOLDAR
Do you want me to send down some putties to distract them?

ZED
No. I thought you could bake them some cupcakes, you fool... Send down the putties.

CUT TO:

8909

EXT. PARK - A SHORT TIME LATER

8909

Tommy, Rocky and Adam jog through the park. Tommy still has the flyers in his back pocket. Suddenly several putties appear in their path.

ADAM
What are they doing here?

ROCKY
They're cruisin' for a bruisin'. C'mon.

A 30 second putty fight and the putties disappear as quickly as they appeared.

ADAM
I don't get it. What do you think Zed is up to?

TOMMY
Trouble. I'm going to go back to the juice bar and check with the others.

Really? Confirm DVS187 Lead

They split up and we CUT TO:

8910

INT. JUICE BAR - A LITTLE WHILE LATER

8910

Billy and Kimberly sit at the bar talking to Ernie. Aisha comes out with her clip board looking very business like.

ERNIE
Well, how did I do?

AISHA
Pretty good. I only found a couple of problems.

She tears her checklist off the clipboard and hands it to Ernie, who looks it over.

ERNIE
Oh good, these are minor things. I can get them fixed by next week.

AISHA
There's no such thing as a minor problem when you're talking about fire safety. (Very Serious) Next week could be too late.

ERNIE
I guess you're right Aisha. I'll do it right away.

AISHA
Great, Ernie.

8910 Cont.

Ernie exits looking a little worried.

BILLY
Ernie seems quite concerned.

AISHA
I'm responsible for the safety of everyone here. I can't afford to take any chances.

Tommy enters and goes right to the gang.

TOMMY
I'm glad you're still here. Something weird just happened . We were running in the park and the putties attacked us.

KIMBERLY
Zed's got to be up to something.

AISHA
Are Rocky and Adam okay?

TOMMY
Yeah, they're still in the park.

AISHA
I'm glad everybody's all right...

She spots the flyers still in Tommy's back pocket.

AISHA
Are those my flyers?

TOMMY
We never made it to the mall.

AISHA
Well, you better get going if you're going to have time to make it to the library also.

TOMMY
No Problem.

AISHA
Do those exit signs look properly posted to you...?

And off she goes, clipboard in hand. Tommy and Billy exchange a look.

8910 Cont.

TOMMY
Man, she's really into it.

Tommy exits.

8911 EXT. PARK - DAY

Bulk and Skull walk through the park still in their fire fighter gear.

SKULL
Bulk, I'm still not sure I want to be a fireman. I think my calling is in the arts.

BULK
You nitwit. I'm only going to explain this one more time. Where there's smoke there's fire. Where there's fire there's trouble. And where there's trouble there's the Power Rangers. You get it?

SKULL
I'm sure I will someday.

Suddenly Bulk stops dead in his tracks!

BULK
Shhhh... Do you smell something?

SKULL
It's not my fault they had burritos in the cafeteria.

BULK
(Excited) I mean fire.

They see a family having a BBQ and picnic in the park. Bulk is disappointed.

BULK
Just our luck.

As they continue on, we see the father at the BBQ walk away leaving it unattended.

CUT TO:

8912 INT. ZED'S CASTLE - DAY

Zed sees the flaming BBQ through his zed-o-vision.

ZED
Finally I have what I need to create a monster who can destroy Angel Grove once and for all.

CUT TO:

8913 EXT. PARK - DAY

8913

Suddenly a spear of flame flies out of the BBQ and behind and behind a cluster of trees. From behind the trees the Flame Head Monster appears galloping on a white horse. He pulls up to a stop.

FLAME HEAD
Good Bye Angel Grove!

And he spits a wall of fire as we FADE OUT:

END OF ACT ONE

FADE UP:

ACT TWO

8914 EXT. PARK - DAY

8914

Some distance away Bulk and Skull walk through the park. Flame Head rides up on his horse, but Bulk and Skull do not see him.

SKULL
You know fire is kind of scary. What if we just yell "fire" and maybe the Power Rangers will come, and we won't have to be near a real one.

BULK
Don't be such a wimp. Fire doesn't scare me. Besides the Power Rangers are too smart for that.

Suddenly Flame Head spits a fireball at Bulk and Skull. The garbage can behind Bulk bursts into flame, but Bulk has his back to it and doesn't see it.

SKULL
(yelling)
Fire! Fire!

BULK
You bonehead, I just told you the Power Rangers wouldn't fall for that.. (Then - excited) Wait a minute, I smell smoke.

Bulk turns around and spots the fire. SHEER PANIC!

BULK
Fire! Fire!

And in FAST MOTION he runs in circles and then into the lake, with Skull following closely behind. The fire monster laughs and spits another fire ball which bursts another garbage can into flames.

8915 EXT. ANOTHER PART OF THE PARK - CONTINUOUS 8915

Tommy, Rocky and Adam continue their jog. Tommy stops.

TOMMY
Did you hear someone yell "fire."

ADAM
It sounded like it came from over there.

And they take off in the direction of Bulk's yells.

8916 EXT. PARK WHERE THE MONSTER IS - A MOMENT LATER 8916

Tommy, Adam and Rocky arrive to see several garbage cans and on fire.

ROCKY
What's going on?

The monster rides up on his horse.

MONSTER
Angel Grove is about to become one big campfire, and there's nothing you can do about it.

TOMMY
We'll see about that... It's morphin time.

8917 STANDARD MORPHING SEQUENCE FOR RED, BLACK AND WHITE RANGERS. 8917

The Red, White and Black Rangers try to charge the monster, but he shoots a fireball and they must dive out of the way (WE HAVE NO MONSTER COSTUME). *

MONSTER
You stupid Power Rangers are no match for me. I hope you brought some marshmallows.

And again he shoots a fire ball that just misses the White Ranger.

WHITE RANGER
Let's see if we can cool this guy down.

8917 Cont.

White Ranger takes a flying side kick and nails the monster in the head. The monster goes flying backwards and loses his helmet, which he grabs and puts back on.

RED RANGER
No need to lose your head over this.

The monster produces a strange looking sword and jabs it into the ground causing three small explosions which launch the Rangers into the air. They are stunned. This guy's pretty powerful.

CUT TO:

8918 INT. JUICE BAR - DAY 8918

Ernie is with Kimberly and Billy at the bar area. There is a TV set on the bar.

ERNIE

wants me to take apart the juice machine so she can check the wiring. How can I run a Juice Bar without a juice machine?

On the TV a NEWSCASTER breaks in with a special announcement.

NEWSCASTER
We interrupt this program with a special news bulletin.

Aisha joins the group.

NEWSCASTER (CONT)
A series of mysterious fires have broken out all over Angel Grove. The fire department is baffled and has just about reached it's limits. We'll keep you updated with any new developments.

ERNIE
Maybe I should start taking apart that juice machine.

And he exits into the back.

AISHA
Oh no. What am I going to do? I'm the Fire Safety Captain.

BILLY
The odds of so many fires occurring concurrently defies coincidence.

3918 Cont.

KIMBERLY
Guys, I think we should get to the command center.

3919 INT. COMMAND CENTER - DAY

Alpha works busily at the console as Billy, Kimberly and Aisha teleport in.

KIMBERLY
Zordon what's going on?

ZORDON
Behold the viewing globe Rangers.

They go and see the White, Red and Black Rangers not having much luck against Flame Head. (COMBINATION JAPANESE & AMERICAN FOOTAGE)

BILLY
We have to get to the park to help them.

ZORDON
This is Zedd's Flame Head monster. He intends to burn down all of Angel Grove.

KIMBERLY
Zedd's gone too far this time. C'mon guys, we better morph.

AISHA
No, wait. This monster is all mine! I'll go to the park. Kim, you and Billy should stay here and help Alpha come up with some way to defeat this horrible monster.

Kimberly and billy assume the morphing position.

AISHA
No wait. This monster is mine! I'll go to the park. You and Billy should stay here and help Alpha come up with some way to defeat the monster.

BILLY
I think we should all go help Tommy, Adam and Rocky.

KIMBERLY
Billy is right Aisha.

8919 Cont.

AISHA
Please guys, this is my responsibility. *

ZORDON
Rangers, let her go. You two stay here and help Alpha create a solution to put out the Flame Head Monster. *

AISHA
Thanks Zordon... It's Morphin time!

STANDARD MORPHING SEQUENCE FOR YELLOW RANGER.

8920 EXT. PARK - DAY 8920

Yellow Ranger appears while the battle is in progress.

RED RANGER
Boy am I glad to see you.

CUT TO:

8921 INT. ZED'S CASTLE - CONTINUOUS 8921

ZED
So you wish to change the odds yellow Ranger.
Maybe a few putties will put things back in perspective.

CUT TO:

8922 EXT. PARK - CONTINUOUS 8922

Suddenly a group of putties appear.

YELLOW RANGER
I can handle this.

She immediately jumps in front of the Black Ranger and starts to take out a couple of putties. Meanwhile Red Rangers is taking on a couple of putties, and Yellow Rangers jumps in the middle and starts to fight them. She then does the same to the White Ranger. Aisha's treating this this like it's her own private battle. The other Rangers are taken aback.

CUT TO:

8923 INT. COMMAND CENTER - CONTINUOUS 8923

Kimberly watches the viewing globe, as Billy and Alpha work at the controls. In the globe we see the Rangers fight the putties while the fire monster drys up a river with a blast of his flame, and wilts a field of flowers.

BILLY
It's going to take too long to create any kind of chemical compound to extinguish the monster.

KIMBERLY
Zordon, Aisha's trying to do everything all by herself.

ALPHA
Ay yi yi yi yi. *

ZORDON
Alpha, bring in the Rangers. *

ALPHA
Yes Zordon. *

CUT TO:

8824 EXT. PARK - SIMULTANEOUS 8824

The Rangers still battle the putties as the fire monster commands them. Yellow Ranger is still trying to win the fight singlehandedly. Suddenly the rangers teleport out mid punch or kick.

CUT TO:

8825 INT. COMMAND CENTER 8825

The Yellow, White, Black and Red Rangers teleport in, with their helmets in hand. *

AISHA
What are we doing here!!? We need to get back to the park! The monster could burn down the city!

ZORDON
Aisha I let you go to the park so that you could learn an important lesson. Like all great battles in life, you cannot defeat the Flame Head monster, if you take the weight of the world on your own shoulders. *

AISHA
Zordon. I'm responsible . I agreed to be the Fire Safety captain.

ZORDON
Yellow Ranger. You must share the responsibility for defeating the forces of evil. When you accepted your power coin, the responsibility to work together came with it. Your fellow Rangers are there to help you just as you are there to help them. *

TOMMY
There's no "I" in the word "team." — Paul end *

KIMBERLY
We're there for each other. *

BILLY
Always. *

AISHA
I guess I still have a lot to learn about being a Power Ranger *

8925 Cont.

ZORDON
Now you must defeat Zed's monster before he can complete his task of burning down Angel Grove. But you must work as one or you will not stand a chance.

They all high five, and Billy and Kimberly assume the position...

KIMBERLY
It's Morphin' time!

STANDARD MORPHING SEQUENCE FOR BLUE AND PINK RANGERS.

CUT TO:

8926 EXT. PARK 8926

The fight is on. The monster continues to blow fire at the Rangers and stab his sword into the ground causing small explosions which shoot the Rangers into the air.

YELLOW RANGER
Maybe we can shoot this hot head a taste of his own medicine. C'mon team!

She interlocks arms with the Pink and Blue Rangers who stand next to her, and they in turn lock arms with the Black, Red and White Rangers forming a shield.

YELLOW RANGER
C'mon flame boy, let's see what you got.

The monster shoots a giant fire ball at the Rangers who stand tightly together with their arms locked. The fire ball ricochets off their human wall and flings back at the monster who flies back in a shower of sparks.

YELLOW RANGER
Great team work guys!

Unfortunately this has only served to make the monster and Zed Angry.

CUT TO:

8927 INT. ZED'S CASTLE - CONTINUOUS 8927

ZED
I've had enough of this. It's time for this monster to grow.

CUT TO:

8928 EXT. PARK - CONTINUOUS 8928

The monster grows.

RED RANGER
We need our Zords now.

The Rangers call on their Zords which forms the Megazord. A 30 second or so battle takes place in which the Megazord shoots some kind of fire extinguisher at the monster, and which ends in the Megazord killing the monster with his sword.

FADE OUT:

END OF ACT II

FADE UP:

EPILOGUE

8929 INT. JUICE BAR - AFTERNOON 8929

The group is all gathered around the juice bar with Ernie behind the counter.

AISHA
I really want to apologize to everybody for getting so carried away

BILLY
Sometimes it can be a little overwhelming taking on a big responsibility.

AISHA
Don't I know it.

Bulk and Skull drag in looking a little wet and worn out.

TOMMY
What's the matter you two. You look a little bummed. - probe

BULK
They kicked us out of the Wanna-be Fire Fighters Club. *

KIMBERLY
How come?

BULK
Something about it being against regulations to

8929 Cont.

BULK (CONT)
hide in the lake during a fire.

SKULL
They took back our fire puppy.

BULK
Will you shut up about the dog... And what's worse, we never even saw a Power Ranger.

ERNIE
Well, you guys are just in time for our surprise.

Ernie ducks into the back.

KIMBERLY
(To Aisha)
We wanted to show you how much we appreciate your hard work for Fire safety Week.

Ernie comes out of the back with a large cake that says "Congratulations Aisha... Fire Safety Captain" and has about twenty candles on it. Bulk instantly panics.

BULK
Fire! Fire!

Skull quickly grabs two glasses of water off the counter and tries to throw them on the cake, of course, drenching Bulk instead. The Kids all laugh and Aisha blows out the candles, as we FREEZE FRAME and FADE OUT:
