9001. EXT. YOUTH CENTER - DAY

9001.

It's a breezy, afternoon day. CAMERA picks up TOMMY, ADAM and KIMBERLY who are approaching the Youth Center with their attention focused on a piece of paper Kim is reading.

KIMBERLY

"It's the color of a tomatoe, has wheels and can travel great speed..."

Adam continues reading from the paper...

ADAM

"...a picture of this is all you need."

(looks up)

What do you think it is?

TOMMY

A stop sign... on roller skates?

Adam and Tommy laugh. Kimberly looks straight ahead.

KIMBERLY

You guys, that's gotta be it...!

ANGLE - ON RED CAR

as the three of them run over to it.

KIMBERLY (cont'd)

A red car! Tommy, get the camera...

It's one of those instamatic cameras, hanging around his neck. He grabs it...

TOMMY

One picture comin' up...

Kimberly and Adam jump in front of the car, wave at the camera.

TOMMY (cont'd)

Say "Scavenger Hunt"!

And he SNAPS the picture. It shoots out the bottom of the camera and he grabs it.

9001 CONTINUED

2.

TOMMY (cont'd)
Got it. *Adam*

KIMBERLY
Yes! I love scavenger hunts.

ADAM
This is fun.

KIMBERLY
I'm glad you're on our team this year, Adam.

ADAM
I hope I can help you guys win.

Kimberly checks her watch.

KIMBERLY
We're running out of time, guys.
How many more things do we have to find?

TOMMY
We've got six rhyming clues left.
Billy, Aisha and Rocky have the other half of the list...

Kimberly looks at the list.

KIMBERLY
Okay, so what's the next clue?

TOMMY
"It's small but makes a noise that can stop a game. People can also do it just the same."

ADAM
Man, this isn't easy.

KIMBERLY
I think I may have an idea.
Come on...

And she takes off running. Tommy looks at Adam, smiles.

TOMMY
She loves this game. *enjoy*

ADAM
Hadn't noticed.

They walk off and we:

WIPE TO:

9002 INT. LORD ZED'S CHAMBER - DAY - STOCK

9002.

The evil emperor stands at his balcony, his palace pulsating with red raw energy. Goldar is at his side.

LORD ZED

So, the Power Creatures are on a scavenger hunt.

GOLDAR

A pitiful human game that sends them on a worthless chase for objects!

LORD ZED

They want to play games? I'll send them on an endless scavenger hunt through every dimension in the universe. And with the Power Rangers gone, I'll take over earth!

GOLDAR

Yes!

As Zedd laughs, we:

FADE OUT.

ACT ONE

FADE IN:

9003. INT. YOUTH CENTER - DAY

9003.

BILLY, AISHA and ROCKY are in the gym reading from their half of the scavenger hunt list. The energy is high. Exciting. Tense. In the background we can see a BANNER that reads "ANGEL GROVE SCAVENGER HUNT CONTEST". There's a table underneath where a few JUDGES are sitting. Our trio head for the juice bar. *

They huddle together and look over the list.

AISHA

Okay, so what weird items are
left for us to find on this scavenger hunt? **

Rocky looks OS...

ROCKY

Talk about weird. **

And he points to

BULK AND SKULL BEHIND THEM.

They're dressed in "gypsy" clothes, complete with huge turbans wrapped around their heads so they look like mutant swans. And they're holding tamborines. They both bow and we hear a CHORUS of tamborine and bell sounds. They stand and fold their arms...

From out of the crowd behind them steps a middle aged WOMAN dressed in gypsy clothes, covered with bells from head to toe. Looks like a belly dancer with a whole lot of belly.

And she twirls around clicking the bells on her fingers. Bulk and Skull do the same thing.

AISHA

They've really lost it this time.

Bulk and Skull come to a stop.

BULK

That's what you think. This is Gypsy Aballonia. She is gonna use her gypsy magic to help us find the Power Rangers...

SKULL

...in their secret identities!

BULK

While you guys are wasting time on a scavenger hunt, we'll be finding out who the Power Rangers really are!

Bulk and Skull are excited by the idea. They shake their tamborines. The Rangers shake their heads.

BILLY

Gypsy Abollonia doesn't have any real power, guys.

Aballonia steps up to Rocky.

GYPSY ABOLLONIA

You dare doubt the great power of Gypsy Abollonia? Look into my eyes...

ROCKY

Uh, no thanks...

BULK

That's okay. You non-believers
will be eating your words when
we become famous for finding
out who the Rangers really are!

SKULL

Yeah.

Gypsy Abollonia raises her arms and clicks her bells.

GYPSY ABOLLONIA

Come, boys. It is time to begin
our search. Do as I do...

(chant)

Abollonia, Abollonia...

BULK / SKULL

Salami, Salami....

They begin turning in circles, beating their tamborines as they do.

GYPSY ABOLLONIA

Ooomba loomba gumba yum...

BULK / SKULL

Tweedle dee and tweedle dum.

GYPSY ABOLLONIA

Faster, boys. Tune into the
great magical force of Gypsy
Abollonia...look into my eyes.

Bulk and Skull spin faster...CAMERA IS IN FAST MOTION...until they are
so dizzy from the spin that Bulk and Skull fall to the ground. We see
their EYES SPINNING inside their heads. The Rangers look at them...

AISHA

"Look into their eyes..."

ROCKY

They kinda look sick to me...

As everyone in the juce bar begins to snicker, we:

WIPE TO:

9004. INT. LORD ZED'S CHAMBER - DAY - STOCK9004.Lord Zed is on his throne, Goldar beside him.

LORD ZED

I will soon capture the Power
Rangers and send them into the
Lost Universe where they will
be on an endless scavenger hunt...
Lord Zed style!

GOLDAR

How can I help, My Master,
My Idol. My --

LORD ZED

Silence, before I clip your wings!
While I begin opening the dimensional
doorway to the Lost Universe...
you go to earth and find one of
their scavenger items worthy of
becoming my monster!

Goldar is excited.

GOLDAR

Yes, Lord Zed!

Zed stands.

LORD ZED

Soon I will be able to rule
the world!

Zed laughs as Goldar disappears.

9005. OMIT

9005.

**

9006. INT. BILLY'S LABORATORY - DAY

9006.

Billy's going through an old box as Aisha and Rocky study the latest clue.

AISHA

(reading)

"Consider this a weapon kings
used in battles past, that hit its
target from the sky with a great
big blast!"

ROCKY

A weapon used by kings...a sword?

AISHA

A sword doesn't hit its target from
the sky...

BILLY

It's obviously a form of artillery...

Billy pulls out a toy cannon from his box.

BILLY

...and my hunch is this is it.

ROCKY

A cannon!

BILLY

My little nephew left this here last summer.

AISHA

Cannon's shoot balls that drop down on enemy lines from the sky.

She checks it off her list.

ROCKY

Good work, Billy.

AISHA

(checks her watch)

Hurry. Let's move on...

Billy slips the cannon into his backpack.

9007 INT. LORD ZED'S CHAMBER - DAY - STOCK FOOTAGE

9007

Zed stands looking with his laser vision...

LORD ZED

That cannon will make a perfect monster...!

Zed is at the balcony. Goldar beside him.

LORD ZED (cont'd)

I'll use my Cannontop to shoot the Power Rangers through the dimensional doorway.

GOLDAR

Where they will disappear forever!

Zed turns to Goldar.

LORD ZED

Goldar, send putties down to get that cannon!

GOLDAR

(bows)

Yes, Lord Zed.

And we:

WIPE TO:

9008. EXT. PARK - DAY

9008.

Billy, Rocky and Aisha head through the park. Billy's carrying his backpack over his shoulder...

AISHA

We've got two more clues
left to go and we can meet
up with Kim and the others...

ROCKY

Hope they're doin' okay...

Suddenly, PUTTIES appear...

AISHA

They may be, but we're not!

BILLY

Putties...

And a fight breaks out. The putties end up taking Billy's backpack...

BILLY

They took my backpack with all
our scavenger hunt items...

ROCKY

What's Zed gonna do with those?

AISHA

I don't know, but we better contact
the others to see if they're ok.

9008A. INT. ANGEL GROVE HIGH - HALLWAY - DAY

Kimberly, Adam and Tommy move quickly down the corridor. Kimberly is reading the clues as she walks.

KIMBERLY

It's small but makes a noise that can
stop a game. People can also do it
just the same.

Tommy's beeper goes off.

ADAM

Talking about a noise that can stop
a game....

Tommy holds up his communicator.

TOMMY

Come in. We read you. *Lead*

9008A Cont.

BILLY (VO)

This is Billy. We just got attacked by putties in the park. They stole my backpack with all our scavenger hunt items inside.

KIMBERLY

I knew this day was going too well.

BILLY (VO)

You guys all right?

TOMMY

We're fine. But Zedd's gotta be up to something big time. We better be ready for Zordon's signal.

BILLY (VO)

Affirmative, Tommy. I believe it would be wise to stay in touch.

TOMMY

Gotcha, Billy. Hey, and good luck with the hunt.

BILLY (VO)

Thanks.

KIMBERLY

C'mon guys, let's get on with the game.
(beat) Oh, no.

Bulk, Skull and Gypsy Aballonia enter the hall chanting with their tambourines and bells. Abollonia leads Bulk and Skull in a little dance down the hall.

GYPSY ABALLONIA

I feel we are getting closer to the Power Rangers...Keep the vibrations going, boys.

Aballonia turns to face a dizzy Bulk and Skull, her back to the Power Teens.

GYPSY ABALLONIA

Stop, I feels the vibrations of the Power Rangers here! Look into my eyes.

The 3 Power Teens exchange concerned looks.

GYSPY ABALLONIA

What do you see?

Bulk is now so dizzy he is turning green. The Power Teens are "spinning around" before him (his POV). Bulk faints; Skull can barely hold him up.

SKULL

Bulky boy. Don't pass out. It's only those Scavenger geeks.

The 3 Power Rangers exchange smiling looks.

KIMBERLY
Good luck with your hunt, boys.

9009. INT. ZEDD'S CHAMBER - DAY

9021. INT. YOUTH CENTER - DAY

9021.

A CROWD has gathered in the gym as the Power Rangers, now in CIVILIAN CLOTHES, ENTER and run over to the juice bar.

KIMBERLY

Ernie...we only need one more thing on the list...

ERNIE

You guys better hurry. One of the judges just got word that Central High has all the items and they're on their way back here...

Tommy reads from the list...

TOMMY

They're the colors of the rainbow and they fight villains too...find a picture of them and that will do."

ERNIE

Colors of the rainbow? It's gotta be the Power Rangers...

AISHA

Do you have a picture of them?

ERNIE

I think I do. Let me check the back!

KIMBERLY

Hurry, Ernie!

Ernie disappears in the back as Bulk, Skull and Gypsy Abollonia ENTER

GYPSY ABOLLONIA

This way, boys. I feel the presence of the Power Rangers in this room...

Abollonia leads Bulk and Skull up to the juice bar. The Rangers look nervous.

GYPSY ABOLLONIA

Yes! The Power Rangers are here! I feel their vibrations...

The Rangers exchange really nervous looks now as Abollonia closes her eyes and points in their direction.

GYPSY ABOLLONIA

They are right before our eyes... the
Gypsy Abollonia is certain!

As she opens her eyes, Ernie returns to the bar with the picture of the
Power Rangers.

ERNIE

Here it is, guys! A picture
of the Power Rangers!

Bulk grabs it.

BULK

A picture? You took us on some
wild goose chase for a picture
of the Power Rangers?

GYPSY ABOLLONIA

But...But I'm telling you they
are here!

BULK

In an eight by ten glossy.

Bulk and Skull get right in her face.

BULK / SKULL

Look into our eyes...You're fired!

The Rangers breathe a sigh of relief as Kimberly snaps the picture out
of Bulk's hand.

KIMBERLY

I'll take that, thank you.

ROCKY

Guess you guys should practice
up on your magic act, huh?

And the Rangers run over to the judges table where they dump their
titems onto the table just as the other high school team shows up. The
judge stands...

JUDGE

Our gang jump up and down with excitement and slap high fives...
